TOWN CLERK'S REPORT

WARRANT FOR ANNUAL TOWN MEETING OF 1957

To either of the Constables of the Town of Stoneham in the County of Middlesex, **GREETING:**

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

MONDAY, MARCH 4, 1957

at six o'clock in the forenoon to act on the following articles of this warrant:

Article 1. To choose the following officers:

One (1) Moderator for (1) year

Five (5) Selectmen for one (1) year

One (1) Assessor for three (3) years

Two (2) members of the School Committee for three (3) years

One (1) member of the Board of Public Welfare for three (3) years

One (1) member of the Board of Health for three (3) years

Two (2) Trustees of the Public Library for three (3) years

One (1) Trustee of the Public Library for two (2) years

Three (3) Constables for one (1) year

One (1) Constable for three (3) years

One (1) member of the Planning Board for five (5) years

One (1) member of the Board of Public Works for one (1) year

One (1) member of the Board of Public Works for two (2) years

One (1) member of the Board of Public Works for three (3) years

and to act on the following question:

"Shall pertinent provisions of Section 47B, Chapter 31, General Laws, Tercentenary Edition, relative to placing under Civil Service all building custodians employed by the Town of Stoneham be accepted?"

All on one ballot

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet at 7:30 o'clock in the evening of

Monday, March 11, 1957 in accordance with provisions of Section 2, Article 1 of the By-laws of the Town of Stoneham.

Article 2. To choose all other necessary Town officers for the ensuing year in such manner as the Town shall determine.

Article 3. To hear reports of Town officers and committees, and to act thereon and to choose committees.

Article 4. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 1, Sub-section (a), by striking out Sub-section (a) in its entirety and inserting the following:: Section 1.

"(a) There is hereby established a job classification and salary plan, hereinafter designated as the plan for the Town of Stoneham, under authority of Section 108A and 108C of Chapter 41 of the General Laws, for positions in the service of the Town of Stoneham classifying certain employees other than those filled by popular election and those under direction and control of the School Committee into groups and classes doing substantially similar work or having substantially equal responsibilities."

Personnel Board

Article 5. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 4, by inserting the following paragraph:

"(a) The Personnel Board may adjust the salary of an individual to other than the current rate (i.e. establish a Personal rate) during the fiscal year. Such adjustment shall prevail subject to ratification at the next following Town Meeting. If the meeting fails to approve, salary of the individual shall revert to former place on the salary schedule effective as of the date of action of the subsequent Town Meeting. No departure from the established pay schedule shall be effective nor payable until the Town Accountant has received notice of effective date from the Personnel Board."

Personnel Board

Article 6. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 14, Sub-section (a), Paragraph (1) by striking out "Clerk A" and its job description and inserting in place thereof the following new classification and description:

"(1) Adm. Clerk. General Statement of Duties: Under

general supervision to do more difficult and responsible work than the Clerk A, calling for a considerable degree of individual judgment and initiative in carrying out established procedures such as keeping financial accounts, records, documents, etc.; may involve supervision of small clerical force; and to do related work as required. Examples; Prepare forms and procedures in connection with clerical work: may originate correspondence and conduct business with public and other Town Departments; answering difficult and unusual questions involving judgment, knowledge, and interpretation of the activity performed. There shall be three (3) Administration Clerks, namely: one (1) each in the following departments: Public Works, Treasurer and Collector's office and the Assessors' Office."

Personnel Board

Article 7. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 14, Sub-section (a), by adding the following new classification and description:

"(2) Clerk A. General Statement of Duties: Under general supervision, a Billing Machine Operator, Clerk of the Police Department, Payroll and Accounting Operator, or Secretary to the Board of Selectmen as well as being able to perform duties as a Clerk B.

Personnel Board

Article 8. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 14, Sub-section (a), Paragraph (3), by striking out "Clerk C" and its job description.

Personnel Board

Article 9. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," by adding to Section 14, Sub-section (c) the following two new classifications and descriptions:

"(6) Safety Officer: In charge of Safety Education in all schools. In charge of school patrol boys and all types of safety recommendations as to crosswalks, intersections, etc."

"(7) Investigating Officer: Assigned to investigate major crimes and also to follow up on incompleeted investigations on all types of crimes."

Personnel Board

Town Accountant

Article 15. To see if the Town will vote to authorize the

appointment of four (4) permanent patrolmen to the Police Department, raise and appropriate money therefor, or do anything in relation thereto.

Board of Selectmen

Article 16. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray Town charges for the ensuing year.

Town Accountant

Article 17. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$127,000.00 for the reduction of the 1957 tax rate.

Board of Selectmen

Article 18. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1957, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

Article 19. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1958, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Chapter 17, Chapter 44 of the General Laws.

Board of Selectmen

Article 20. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Selectmen

Article 21. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains or relaying sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from avail-

able funds, by transfer from the stabilization fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Selectmen

Article 22. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage purposes within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Selectmen

Article 23. To see if the Town will vote to raise and appropriate a sum of money to pay the rent of quarters or lease quarters for use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post 115, American Legion; Sgt. George J. Hall, Post 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American War Veterans; World War I Veterans of the United States, Barracks 395, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

Article 24. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516, and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along the public beach outside of Boston Harbor including the Merrimack and Connecticut Rivers in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Board of Selectmen

Article 25. To see if the Town will vote to raise and appropriate a sum of money for the purpose of enlarging and improving Sweetwater Brook and adjacent areas under provisions of Chapter 91 of the General Laws, authorize the Board of Selectmen to pay all or any portion of the appropriation to the Treasurer of the Commonwealth of Massachusetts, authorize the Selectmen to enter into any necessary agreement or agreements with the Department of Public Works of Massachusetts in order to proceed with the work of enlarging and improving the said Sweetwater Brook under provisions of the said Chapter 91 of the General Laws, authorize the Selectmen

to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Selectmen

Article 26. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business Area as heretofore defined and set forth, the following described area, a section of the Town of Stoneham in the northwesterly corner thereof, bounded as follows: Beginning at a point on the dividing line between the City of Woburn and the Town of Stoneham, about 20 feet more or less from the Woburn-Stoneham-Reading Bound, thence the line runs southwesterly about 758.5 feet more or less to the Stoneham-Woburn Corner No. 1. Thence the line runs southeasterly along a portion of the dividing line between the City of Woburn and the Town of Stoneham towards Stoneham-Woburn Corner No. 2, 1283.83 feet to the westerly side of Route No. 28 relocation. Thence the line runs northwesterly along Route No. 28 relocation about 1231 feet more or less to an angle point. Thence the line turns and runs northwesterly 401.54 feet along Route No. 28 relocation, to the point of beginning. All according to "Plan for Rezoning Land in Northwest Section of Stoneham, Mass., dated January 24, 1957, by M. J. Markham, C. E.," which plan is on file in the Stoneham Public Works Dept., Stoneham, Mass.

Planning Board

Article 27. To see if the Town will vote to amend Article I, Section 3a of the Zoning By-law by striking out Section 3a and inserting in place thereof the following section:

"Section 3a—Area Regulations in Single Family Residence A, and Residence B Districts. In Single Family and Residence A Districts, land laid out and approved after adoption of this section shall provide for each dwelling a minimum lot frontage of 120 feet, and a minimum lot area of 15,000 square feet. In Residence B Districts, land laid out after the adoption of this section shall provide for each dwelling a minimum lot frontage of 70 feet and a minimum lot area of 7,000 square feet.

Planning Board

Article 28. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General

Business District as heretofore defined and set forth the following described area, to wit: "Beginning at a point 175.45 feet south of the intersection of Main St. and Governor Rd., on the westerly side of Main St., at the northerly boundary of the existing General Business district and bounded as follows: Northerly by Main St. to the Stoneham-Reading line; thence westerly by the Stoneham-Reading line 200 feet; thence southerly by a line 200 feet west of and parallel to Main St. to land now or formerly of Davelyn Trust, 175.45 feet more or less south of Governor Rd., thence easterly along land of now or formerly of Davelyn Trust 200 feet to the point of beginning.

Stoneham Business and Industrial Committee

Article 29. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District as heretofore defined and set forth the following described area, to wit: "Beginning at a point 125 feet south of the intersection of Main and Collincote St., on the easterly side of Main St. at the northerly bound of the existing Retail Business district and bounded as follows: northerly by Main St. to North St.; thence easterly by North St. 200 feet; thence southerly by a line 200 feet east of and parallel o Main St. to land now or formerly of Syak 125 feet more or less south of Collincote St.; thence westerly 200 feet along land now or formerly of Syak to the point of beginning.

Stoneham Business and Industrial Committee

Article 30. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, so as to include in the General Business District the following described area adjacent thereto and bounded as follows: Southerly by land of Sunnyside Dairy Inc., adjacent to the present limit of the General Business District, 200 feet; westerly by Main Street, 70 feet; northerly by Lots 73 and 63 a distance of 200 feet; and easterly by Central Street, 70 feet; all as shown on "Plot Plan of 64 and 72 in Stoneham, Mass.," dated August 6, 1956, Dana F. Perkins & Sons, Inc., Civil Engineers and Surveyors, Reading, Mass., and recorded in Middlesex South District Registry of Deeds.

John N. Kelly

Article 31. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described

area, to wit: "Beginning at a point on the Lynn Fells Parkway and the southwesterly corner of a Private Way known as Walker Road; thence the line runs southerly by said Lynn Fells Parkway by a curved line 260 feet, to a point at northerly boundary of present General Business District; thence turning and running southeasterly 430 feet to a point on Walker Road; thence turning and running generally northerly on said Walker Road 210 feet, to a point; thence the line turns and runs northwesterly by said Walker Road 20 feet, more or less, to a point; thence turning and running northerly by said Walker Road 25 feet more or less, to a point; thence turning and running northwesterly by a curved line, by said Walker Road, 230 feet, more or less, to the point of beginning.

Frederick P. Hanford

Article 32. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following described area, to wit: "Beginning at a point about 350 feet distant from the northeasterly corner of the Junction of Lynn Fells Parkway and Wyoming Avenue on said Lynn Fells Parkway at the southern boundary of present Retail Business District; thence the line runs southeasterly by present Retail Business District 150 feet, to a point; thence turning and running southerly 180 feet, to a point; thence turning and running southeasterly 73.80 feet, to a point at land of Hislop; thence turning and running southwesterly by said Hislop land 185.70 feet to a point on Wyoming Avenue; thence turning and running northwesterly on Wyoming Avenue 97.33 feet to a point; thence in a general northwesterly direction by a curved line, forming the junction of Wyoming Avenue and Lynn Fells Parkway 35.22 feet to a point ;thence turning and running in a general northerly direction by three lines measuring respectively 144.90, 122.71 feet and 62.39 feet to the point of beginning."

Frederick P. Hanford

Article 33. To see if the Town will vote to amend the Zoning By-law of the Town of Stoneham, by striking out the second paragraph of Article I, Section 8 of such law, and insert in such By-law as Article I, Section 18, the following provision,

Section 18. Removal of Soil, Loam, Sand or Gravel.

The removal, for sale or otherwise, from the Town of soil, loam, sand or gravel from land not in public use shall be prohibited.

The removal, for sale or otherwise, from one lot to an-

other in the Town, of soil, loam, sand or gravel from land not in public use except when necessarily incidental to or in connection with the construction, at the site or removal, of a building for which a permit has been issued, or for grading or otherwise improving the premises of which such building is a part, shall be permitted only if written permission of the Board of Appeal be first obtained. Any person desiring to obtain the permission of said Board for such purpose shall make written application therefor, and the said Board shall hold a public hearing thereon, of which public notice shall be given, and render a decision. The applicant shall show, to the satisfaction of said Board, that such use of the premises for which such application is made shall not constitute a nuisance because of noise, vibration, smoke, gas fumes, odor, dust or other objectionable features, shall not be hazardous because of fire or explosion, shall not adversely affect the economic status of the Town, shall not tend to impair the beauty of the Town or of the district most immediately affected, and shall not be dangerous to the public health. When, in the opinion of the Board, such a permit may be granted if accompanied by conditions especially designed to safeguard the district and the Town, including protection against permanent and temporary situations which may be left or arise after operations are completed or because of the methods or handling such material at the site, or transporting such material through the Town, it shall impose such conditions and make them a part of the permit. The Board may, after a hearing and proof of violation of such conditions or any of the terms of the permit, withdraw the permit, after which the use shall be discontinued.

The penalty for violation of this section shall be as follows: For the first offense, fifty dollars; for the second offense, one hundred dollars; and for each subsequent offense, two hundred dollars."

or do anything in relation thereto.

Building and Wire Inspector

Article 34. To see if the Town will vote to authorize the Board of Health to make appointments from its own membership to the positions of Health Officer and Milk Inspector, and raise and appropriate money for salaries of said officers, or do anything in relation thereto.

Selectmen of Stoneham

UGO M. ROLLI

Constable of Stoneham

Annual Town Meeting, March 4, 1957

Agreeable to the Warrant signed by the Selectmen on February 19, 1957, and in accordance with the By-laws of the Town of Stoneham, the inhabitants of the Town qualified to vote in elections and town affairs met in Town Hall on Monday, March 4, 1957 at six o'clock in the forenoon.

The meeting was called to order by the Moderator and the warrant read.

Election of officers appointed by the Selectmen, as required by law, were sworn in by the Town Clerk and assigned to duty as follows: Ballot clerks, Republican, Harold A. Martin, George B. MacDonald, Richard A. Roberts, Edith M. Cook, Grace B. Glynn, Frances L. Arnold, Hazel M. Moore: Democrats, Peter P. Meehan, Roy K. Wentworth, Charles B. Sheridan, Marie M. Burns, Catherine H. Salvage, Alice C. Walsh, Arline E. Cogan. Tellers appointed to canvass and count ballots were as follows: Republican, Everett B. Merrithew, George S. Stewart, Charles E. Chesley, Albert Orne, Constance Stewart, Caroline M. Tryon,

Miriam J. Owen, Mary J. Newcomb, Margaret J. Alward, Ruth B. McHale, Aura M. Moore, Elsie G. Clark, Ethel B. Piper, Christine Mellen, Margaret C. Smith, Nedra E. Nickerson, Grace Gibson, Gertrude Gaffney, Lillian R. Gorham, Ruth Frazier, Mabel L. Smith, Elizabeth B. Noyes; Democrats, Andrew V. McDonnell, Eileen A. Barry, Veronica E. Donahue, Elizabeth C. Donovan, Mary E. Ahern, Veronica Bauer, Gertrude F. Benoit, Rose M. Merrill, Rose R. Masse, Marie Leonard, Augusta LeBlanc, Elizabeth Williams, Lillian M. Rafferty, Louise A. MacDonald, Eva M. Maguire, Mary M. Prive, Mabelle I. Harris, Anna Bosch and Alice M. Greene.

By unanimous consent of the Moderator and the Town Clerk the ballot boxes were opened at three o'clock in the afternoon, and the ballots taken therefrom for the purpose of counting. The tellers appointed to canvass and count the ballots were divided into groups of four, two Republicans and two Democrats in each group.

At eight o'clock in the evening the polls were declared closed, at which time ballot box no. 1 registered 1938, and ballot box no 2 registered 1945, as ascertained by the Town Clerk. The check lists at the gate had the names of 3883 persons as having received ballots, and the check lists at the ballot boxes had the names of 3883 persons as having voted. The number of unused ballots returned to the Town Clerk was 4117.

Ballots Cast 3883

Moderator—One Year

Orvis H. Saxby, 47 Lindenwood Rd. 2660
Scattering 3
Blanks 1220

Orvis H. Saxby, having received the highest number of all votes cast for Moderator, was declared elected for one year.

Board of Public Welfare—Three Years

Michael J. Rolli, 3 Crescent Avenue 2905
Blanks 978

Michael J. Rolli, having received the highest number of all votes cast for member of Board of Public Welfare, was declared elected for three years.

Board of Health—Three Years

Frederick F. Mosley, 239 Park Street 3055
Blanks 828

Frederick F. Mosley, having received the highest number of all votes cast for member of Board of Health, was declared elected for three years.

Trustees of Public Library—Three Years

Fred A. Lawson, 10 West Street	2874
John N. Kelly, 105 High Street	2606
Blanks	2286

Fred A. Larson and John N. Kelly, having received the highest number of all votes cast for Trustees of the Public Library, were declared elected for three years.

Selectmen—One Year

John E. Finnegan, 14 Broadway	1673
Lawrence F. Hurley, 20 Lindenwood Road	1697
Donald J. Morrison, 8 Highland Avenue	1906
Fred A. Schneider, 50 Broadway	2301
Stanley D. Wood, 27 Warren Street	1832

Scattering	3
Blanks	464

Cornelius J. Sweeney, having received the highest number of all votes cast for member of Board of Public Works, was declared elected for two years.

Board of Public Works—Three Years

John E. Finnegan, 14 Broadway	1714
Samuel L. Vacca, 55 Bow Street	1600
Scattering	1
Blanks	568

John E. Finnegan, having received the highest number of all votes cast for member of Board of Public Works, was declared elected for three years.

Constable—One Year

John C. Nelson, 7 Steele Street	2744
Ugo M. Rolli, 71 Hancock Street	2276
Janet F. Poor, 30 Montvale Avenue	5
Ernest W. Meuse, 102 Hancock Street	3
Scattering	10
Blanks	6611

John C. Nelson, Ugo M. Rolli and Janet F. Poor, having received the highest number of all votes cast for Constable, were declared elected for one year.

Constable—Three Years

James F. Mahoney, 76 Hancock Street	2681
Scattering	1
Blanks	1201

James F. Mahoney, having received the highest number of all votes cast for Constable, was declared elected for three years.

Planning Board—Five Years

Robert J. Hallisey, 1 Elmhurst Road	1550
Wilbur C. Avery, 42 Chestnut Street	1714
Blanks	619

Wilbur C. Avery, having received the highest number of all votes cast for member of Planning Board, was declared elected for five years.

Question 1—Civil Service for Custodians

"Shall pertinent provisions of 47B, Chapter 31, General Laws Tercentenary Edition relative to placing under Civil Service all building custodians employed by the Town of Stoneham, be accepted

Yes	2046
No	917
Blanks	920

More affirmative votes than negative votes having been cast on the question, Civil Service, for all building custodians was declared carried.

All requirements of the law having been complied with, the meeting was adjourned to meet in Town Hall on Monday, March 12, 1957 at 7:30 o'clock in the evening in accordance with provisions of Article 1, Section 2 of the By-laws of the Town of Stoneham.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

Adjourned Annual Town Meeting, March 11, 1957

Agreeable to the warrant signed by the Selectmen on February 19, 1957 and in accordance with the vote of adjournment at the annual Town Meeting held on March 4, 1957, and in accordance with the By-Laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall at 7:30 o'clock in the evening.

Tellers appointed to check the names of voters entering the hall were as follows: Richard A. Roberts, Edith M. Cook, Violet LeBrun, Peter P. Meehan, Alice C. Walsh and Arline E. Cogan.

The check lists showed that nine hundred and fourteen (914) voters attended the meeting.

The meeting was called to order and the warrant read.

Article 2. VOTED that the Selectmen be authorized to appoint all other Town officers whose appointment is not otherwise provided for by law.

Article 3. VOTED that the reports of Town officers and committees as printed in the annual Town Report for the year 1957 be accepted.

Voted that this meeting shall adjourn at 11:00 o'clock p.m., until Tuesday, March 19, 1957, at 7:30 o'clock p.m., provided, however, that adjournment shall not take place until final disposition of any article then under discussion, but in no event shall any other article in the warrant be taken up for discussion.

VOTED that the following report be accepted as read:

REPORT OF THE POLICE STATION COMMITTEE

The police station committee was organized two and one half years ago, because of a request by our police captain for additional space. This committee was appointed to investigate conditions at the police station and bring back recommendations to the town meeting. The committee consisted of Joseph Mahoney, Charles Ames and Andrew Tufts. This group worked diligently with the captain of police and brought back recommendations for remodeling the existing police station. A small sum of money was advanced by the town and an architect was engaged to make preliminary sketches of the proposed alterations. This plan was brought back to the last annual town meeting and after much discussion the townspeople thought the estimated cost of remodeling, \$175,000 was too high. Therefore a new motion was made increasing the size of the committee and instructing them to make further study of this project and report back to the next town meeting. Members added to this committee were Police captain, J. Clarence Nelson, Dyer Carroll, Floyd Manning and Lawrence Macdonald.

At their first meeting this committee organized by electing Joseph Mahoney, chairman and Lawrence Macdonald, Secretary.

The committee in their many meetings have taken the attitude that the town would prefer a new building rather than remodel the existing station. Yet, before exploring the possibilities of a new building your committee thoroughly checked the practicability of remodeling the present building. Although some members of the committee felt that by cutting on the previous remodeling plan, money could be saved, it was the unanimous opinion of the committee that even by doing this the results would not be worthwhile. Therefore your committee has taken the attitude that the only sensible answer to this problem is a new building.

Before discussing a new building the new members of the

committee wanted to know whether or not a new building was needed. So much time was spent in determining the needs of our police department. After much investigation the committee agreed that a new police station was needed for the following reasons:

The present station lacks storage space.

The present station lacks privacy, police officers have no access to their lockers when people are being interviewed.

There is no shooting range.

There is lack of garage space.

There is no room for civilian defense activities.

There is no space for a matron.

There is a detriment of morale because of unattractive quarters.

There is no room for police to develop Police Athletic League.

All equipment is out of date making maintenance cost high.

A Library is needed for keeping records.

There is no place for officers to study.

Full time investigator cannot function because there is no room for him.

There is no space for a photo room.

There is no space for a fingerprint room.

Clerk must work upstairs when he should be on the first floor.

There is no desk space for the sergeants.

Station does not comply with Youth Service Commission requirements.

Building was built for four officers forty years ago, present force consists of twenty-four men, eight reserves and thirty-five auxiliary men.

After determining that there was no question of the need for a new police station, the committee's next act was to first determine the basic requirements of a site for the new building. The following requirements were accepted as being basic lot requirements.

Lot must be large enough to house a building 40 x 80.

Lot must be large enough to have adequate parking facilities.

Lot must have access to other areas without being tied up by traffic on Main street.

If necessary to take land, said land should be taxed as low as possible.

Lot should fit in with the future development of the town.

Site should be attractive, so that when a building is erected it would be an asset to the town rather than an eyesore.

Site should be within convenient distance of the square, i.e. not over one-quarter mile from the square.

It was agreed that the new station should be within the bounds of Marble, Elm, Congress and Pine streets.

It was immediately discovered that land in back of the West side of Main street would be unsuitable because this is a congested area with better built homes. The West side of Main street proper was seriously considered for it met the basic requirements of a site. After much discussion it was decided that a site on either the West or East sides of Main street would be impractical because in an emergency it might be necessary to buck Main street traffic and also the taxable value of the property was too high. Property in back of the East side of Main street was given serious thought because in this area there are several possible sites. Each possibility was discussed in detail. For instance the land in back of Lane's garage on Spencer street. If this site were the one chosen it was felt the cost of building would be prohibitive because of water conditions on Spencer street. Another possibility was the old Boston and Maine building on Pine street. After measuring and checking this site and building it was found it was not nearly large enough for a police station.

After many meetings and much discussion the committee decided that the most practical site would be right in the town community center, i.e. on the present town hall grounds or in the area around the town hall. If the new station were to be a separate building then the committee felt the most logical place for it would be on the land bounded by Pine and Emerson streets. You will notice in the town warrant under article 69 it is possible for the town to proceed by purchasing this property. Another reason for the insertion of this article in the warrant is the fact that after narrowing our choice down to two possibilities we were made aware of the fact that some people feel that police business should be kept separate from town hall business.

However, the members of your committee gave most serious thought to whether or not police business needs a separate building. The unanimous opinion of the committee is that a new police station belongs right on the town hall grounds as an addition to the town hall.

Some of you folks may remember that when the present town hall was erected it was planned that some day in the future another wing would be added to balance the building.

A representative of your committee met three times with one of the members of the firm of Adden, Parker, Clinch and

Crimp, the architects that put up our town hall. Our representative was informed that it was quite true it had been planned that in the future another wing would be added to our town hall. In a letter received by your committee on August 15, 1956, Mr. Crimp stated that the cost of adding another wing to our town hall would be approximately \$200,000. Your committee proposes that the police department occupy the first floor and basement of the new wing leaving the top floor for other town purposes. With your police department using only two thirds of the new wing it would mean that it would only cost \$134,000 to house our police department as compared to \$175,000 to remodel the existing station. These figures are only relative because by the time the town gets around to putting a new wing on the town hall building costs will have increased.

Your committee feels that a new wing on the present town hall is the most economical answer to providing additional space for our town departments for the following reasons:

By utilizing space on the other side of the town hall money necessary to purchase a new site could be saved. We estimate that it would cost \$75,000 to purchase land on Pine and Emerson streets.

A great portion of the cost of providing utilities such as water, electricity, and drainage could be saved for these things are already present in the town hall.

The cost of moving communication wires necessary to police business would be the least for any site because the town hall is so near the police station.

Any janitorial services would be at a minimum because such work could be supervised by the head janitor at the town hall.

Because we have cast iron boilers in the town hall, there is a strong possibility that the existing boilers could be used for heating the new wing by adding new sections to the boilers.

If this is done the cost of building a boiler room would be saved.

Drainage could be taken care of by the large drain that now runs from the town hall thru the Congregational church to Main street.

The members of the police station committee would like to impress upon you that the recommendation to add a new wing to our present town hall is the most economical and practical way of caring for the needs of our town departments.

The police station committee desires to express their appreciation for the cooperation extended to them by the various town departments.

Members of the police station committee
 Joseph Mahoney, Chairman
 Lawrence Macdonald, Secretary
 Charles Ames
 Dyer Carroll
 Floyd Manning
 J. Clarence Nelson
 Andrew Tufts

VOTED that the following report be accepted as read:

The Junior High School Renovation Committee hereby submits its preliminary report in accordance with Article 11 of the Special Town Meeting Warrant of May 21, 1956 and Article 2 of the Special Town Meeting Warrant of October 22, 1956.

The total money appropriated is \$150,000.00. The following amounts have been expended or contracted for covering architects fees, advertising, general contract, and change orders as of February 25, 1957.

Expenditures:

Architect — Rich & Tucker Assoc.	\$4,497.69
Advertising	106.25
Miscellaneous	4.45

Total	\$4,608.39
-------	------------

Contracted:

Architect -- 8% of General Contract	\$9,560.48
Less: Amount expended	4,497.69
*Previous payment	1,500.00

Total payment	\$5,997.69
---------------	------------

3,562.79

Contractor: C. C. Temple Construction Co.	119,506.00
Change Order No. 1	570.00
Test boring	318.00
Provision for preliminary plans — additional work needed	2,000.00
Blueprints	353.17
Contingency	19,081.65

TOTAL:	\$150,000.00
--------	--------------

*\$1500 paid to Rich & Tucker, architects, under previous

allotment to School Committee, Not part of Junior High School Committee allotment.

Work was started in mid-January, 1957, under the contract with C. C. Temple, and is progressing rapidly and satisfactorily. Contingency requirements to date have been moderate.

The general scope of the present work includes:

New roof on former Senior High section, including chimney repairs and repairs to back dormer.

New electrical system from service entrance to feeder panels.

New toilet areas in basement, first and second floors.

New shower and locker room facilities for both girls and boys.

New facilities for directors of athletics.

New entrances on two doorways in old building.

New steel stairwells from basement to third floor — old building.

The Committee has held 24 meetings during the past year. In accordance with the instructions received at the Town Meeting of May 21, 1956, we are prepared to offer recommendations for additional repairs to the Junior High School building, and provision has been made in the Articles of the present warrant for this purpose.

The resignation of Mr. Robert Callahan, an original member of the Committee, was accepted with regret during the year. His service with the Committee is gratefully acknowledged. The Committee also wishes to acknowledge publicly the extraordinary cooperation which it has received from the architectural firm of Rich & Tucker and the excellent work performed to date by C. C. Temple Construction Company.

VOTED that the following report be accepted as read:

The following report has been prepared by the Committee appointed in accordance with the vote of the Town at the Special Town Meeting of May 21, 1956 under Article 10. The Committee was instructed under this article to "study the need for school site development and expansion in the Robin Hood School district, said survey to consider the present Robin

Hood School site and/or any other sites in the district." This article further instructed the committee to report its findings and recommendations at the next Annual Town Meeting.

In conducting this survey, your committee inspected, examined, studied and analysed the following: (1) Robin Hood School Building and site, (2) present enrollment of Robin Hood School, (3) records showing number of pre-school children now known to be in district, (4) the census of Stoneham school children as of October 1, 1956, (5) land in district available for home building, (6) opinions of experts on number of homes that could be built on this land, (7) records of number of school children coming into Town in areas developed in last 10 years.

In the course of this survey the committee conferred and examined records of the following: (1) School Committee, (2) Supt. of Schools, (3) Town Engineer and private civil engineers, (4) Planning Board, (5) Building Inspector, (6) Mass. School Building Assistance Commission, (7) Town Clerk, (8) Finance Board and (9) Development Contractors.

Present

The present Robin Hood School is an elementary school consisting of eight (8) classrooms having been built in 1950. According to authorities in the field of education, it is recommended that the average number of elementary pupils per teacher be, 25 to 30 for the most effective instruction. On the basis of 30 (the highest recommended figure) the Robin Hood School has the capacity to accommodate 240 in its classrooms.

As of the opening day of school in September 1956 Robin Hood had an enrollment of 295, necessitating the use of two sub-standard rooms in the basement of this building under the Auditorium. This condition has limited the use of the Auditorium by the pupils as the noise makes it impossible to satisfactorily conduct the classes in the basement.

Immediate Future

Of immediate concern to your committee, was the influx in the building of new homes in this district that followed the rejection of the Planning Board's Article to rezone portions of the north-west section of Town for general business.

Bearing out our concern, we have determined that by the opening of school in September 1957, at least one hundred (100) new homes will be completed and occupied in this area.

By using a proven method of predicting enrollments, which makes allowance for private, parochial and higher grade stu-

dents, we estimate eighty one (81) children will be entering the first six grades from the families moving into these new homes.

This will bring the September 1957 Robin Hood School enrollment to 376—an excess of 136 over capacity.

We must also consider the number of pre-school children already accounted for in this district. As of October 1, 1956, the school census showed there were 351 in this category. Therefore, we can definitely anticipate an increase in enrollment each year from this factor alone, as it will be 1961 before there is any chance of the number of children leaving the sixth grade totaling the number entering the first grade.

Future

There are two phases to be considered in surveying the future and they are (1) birth rate and (2) construction of new homes.

First we find the birth rate for Stoneham has been continually increasing as evidenced by the fact that there were 235 births to residents of this Town in 1951 and 368 in 1955. Because of this and other reasons, such as our increased population, we can expect a continuing increase each year.

Secondly there are still 244 acres of vacant land in the Robin Hood School District, after allowing for land that will be affected by the new Route 28. If this acreage were to be used entirely for residential building, we are advised by engineers, the least number of houses we could expect under our present housing regulations would be 732. By using the same proven method of predicting enrollments as before, we have a most serious problem to consider.

Conclusions

It is most definite there is an immediate need for additional school facilities at Robin Hood School, due to the present over-crowded condition plus the known in-migration (new residents), and other factors previously discussed in this report.

Recommendations

After long and careful consideration and we believe in the best interest of our Town and children, this committee voted unanimously to make the following recommendations:

That the town:—

1. Construct an addition to the Robin Hood School consisting of ten (10) classrooms and other necessary facilities on the present site. (The Mass. School Building Assistance Commission has advised us they will approve State Aid for this addition.)

2. Appoint a Robin Hood School Addition Building Committee consisting of five (5) members to carry out recommendation No. 1.
3. Vote to have a long range School Needs Committee appointed for the purpose of extending our survey to include all school districts for all grade levels.

In order to thoroughly conduct this survey and make the best and most accurate report possible, it was necessary for us to solicit services, records and pertinent information from many individuals and departments of our Town. For their very able assistance we extend our sincere thanks.

Respectfully Submitted
GEORGE S. ANNIS, Chairman
HELEN B. OSGOOD, Secretary
HAZEL C. JOHNSON
ROBERT J. HALLISEY
RAYMOND H. SEITZ

Article 4. Voted that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 1, Sub-section (a), by striking out Sub-section (a) in its entirety and inserting the following:

"(a) There is hereby established a job classification and salary plan, hereinafter designated as the plan for the Town of Stoneham, under authority of Section 108A and 108C of Chapter 41 of the General Laws, for positions in the service of the Town of Stoneham classifying certain employees other than those filled by popular election and those under direction and control of the School Committee into groups and classes doing substantially similar work or having substantially equal responsibilities."

Voted that Article 100 be taken up at this time. Yes, 467; No, 108.

Article 100. Voted that the subject matter of this article be indefinitely postponed.

Article 5. It was moved and seconded that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 4, by inserting the following paragraph:

"(a) The Personnel Board may adjust the salary of an individual to other than the current rate during the fiscal year. Such adjustment shall prevail subject to ratification at the next following Town Meeting. If the meeting fails to approve, salary shall revert to ori-

ginal place on the salary schedule effective as of the date of action of the subsequent Town Meeting. No departure from the established pay schedule shall be effective nor payable until the Town Accountant has received notice of effective date from the Personnel Board."

This motion was not carried. Yes, 343; No, 345.

Article 6. Voted that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 14, Sub-section (a), Paragraph (1) by striking out "Clerk A" and its job description and inserting in place thereof the following new classification and description:

"(1) Adm. Clerk. General Statement of Duties: Under general supervision to do more difficult and responsible work than the Clerk A, calling for a considerable degree of individual judgment and initiative in carrying out established procedures, such as keeping financial accounts, records, documents, etc.; may involve supervision of small clerical force; and to do related work as required. Examples: Prepare forms and procedures in connection with clerical work; may originate correspondence and conduct business with public and other Town departments; answering difficult and unusual questions involving judgment, knowledge, and interpretation of the activity performed. There shall be three (3) Administration Clerks, namely: one (1) each in the following departments; Public Works, Treasurer and Collector's Office and the Assessors' Office."

Article 7. Voted that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 14, Sub-section (a), by adding the following new classification and description:

"(2) Clerk A. General Statement of Duties: Under general supervision, a Billing Machine Operator, Payroll and Accounting Operator, Clerk of the Police Dept., or Secretary to the Board of Selectmen as well as being able to perform duties as a Clerk B."

Article 8. Voted that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," Section 14, Sub-section (a), Paragraph (3), by striking out "Clerk C" and its job description.

Article 9. Voted that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and

Classification Plan," by adding to Section 14, Sub-section (c) the following two new classifications and descriptions:

"(6) Safety Officer: In charge of Safety Education in all schools. In charge of school patrol boys and all types of safety recommendations as to crosswalks, intersections, etc." "(7) Investigating Officer: Assigned to investigate major crimes and also to follow up on incomplete investigations on all types of crimes."

Article 10. Voted that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", Section 14, Sub-section (f), by adding the following new classifications:

"Senior Draftsman; Motor Equipment Maintenance Man; Blacksmith B (apprentice); Carpenter; Tree Foreman; Tree Climber, Grade I; Tree Climber, Grade II; Apprentice Tree Climber."

and by striking out "Equipment Operator and inserting in place thereof the following new classifications:

"Equipment Operator, Heavy; Equipment Operator, Light."

and by striking out "Meter Repairman" and inserting in place thereof

"Meter Reader and Repairman."

Article 11. Voted that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by Adding to Section 14, Sub-section (g), the following new classification and description:

"(6) Library Assistant. General Statement of Duties: Under the general supervision of the Librarian to assist in the work of any department of the Library and to perform such duties as may be assigned by the Librarian."

Article 12. Voted that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by striking out "1956 Salary Schedule" and inserting in place thereof new 1957 Salary Schedule as follows:

1957 SALARY SCHEDULE

Classification	Min	1st	2nd	3rd	Incre- Max. ment
Supt. of Public Works					\$8,700.
Town Engineer	\$5,280	\$5,460.	\$5,640.	\$5,820.	\$6,000. 180
Capt. of Police	5,280.	5,460.	5,640.	5,820.	6,000. 180

Article 15. Voted that the Town authorize the appointment of two (2) permanent patrolmen in the Police Department, and any expense to come from the appropriation to be made for said purpose under Article 16 of this warrant.

Voted that action on Article 16 be postponed to adjourned annual Town Meeting to be held March 19, 1957.

Article 17. Voted that the Town instruct the Board of Assessors to use the sum of \$50,000.00 for the reduction of the 1957 tax rate.

Article 18. Voted that the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1957, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws. Unanimous.

Article 19. Voted that the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1958, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with the provisions of Section 17, Chapter 44 of the General Laws. Unanimous

Article 20. Voted that the Town raise and appropriate the sum of \$50,000.00 for the purpose of defraying the cost of extending water mains or relaying water mains within the limits of the Town, and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$50,000.00, said bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws. Unanimous.

Article 21. Voted that the Town raise and appropriate the sum of \$75,000.00 for the purpose of defraying the cost of constructing sanitary sewer mains within the limits of the Town, and that the said appropriation be raised as follows: by transfer of the unexpended balance of the appropriation:

for Sewer Construction, Article 2, Special Town Meeting of March 19, 1951 in the amount of \$16.99; by transfer of the unexpended balance of the appropriation for Sewer Construction, Article 18 Annual Town Meeting of 1955 in the amount of 50 cents; by transfer from the Excess and Deficiency Account the amount of \$6,982.51, and that the Town Treasurer, with the approval of the Selectmen, be authorized to sell from time to time, as occasion requires, town notes, bonds, or other evidences of indebtedness to an amount not exceeding \$68,000.00, said bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town. Unanimous.

Article 22. Voted that the Town raise and appropriate the sum of \$70,000.00 for the purpose of defraying the cost of constructing sewer mains for surface drainage purposes within the limits of the Town, and that the said appropriation be raised as follows: by transfer of the unexpended balance of the appropriation for Washington Street Drain, Article 27, Annual Town Meeting of 1954 in the amount of \$1.94; by transfer of the unexpended balance of the appropriation for Sweetwater Brook Drain, Article 33, Annual Town Meeting of 1954 in the amount of \$1,033.36; by transfer of the unexpended balance of the appropriation for Drain Construction, Article 34, Annual Town Meeting of 1955 in the amount of \$40.12; by transfer of the unexpended balance of the appropriation for Main Street Drain, Article 36, Annual Town Meeting of 1955 in the amount of \$11,707.47; by transfer from the Excess and Deficiency Account in the amount of \$7,217.11, and that the Town Treasurer, with the approval of the Selectmen, be authorized to sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$50,000.00, said bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town. Unanimous.

Article 23. Voted that the Town pay the rent of the veterans organizations called for under this article, and any expense to come from the appropriation for said purpose under Article 16 of this warrant.

Article 24. Voted that the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed

by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along the public beach outside of Boston Harbor including the Merrimack and Connecticut Rivers in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Article 25. Voted that the Town authorize the expenditure of a sum of money for the purpose of enlarging and improving a portion of Sweetwater Brook and adjacent areas under provisions of Chapter 91 of the General Laws, as amended, and any funds necessary for said enlarging and improving the said Sweetwater Brook, and any funds necessary for said enlarging and improving of said Sweetwater Brook shall be taken from funds provided under Article 22 of this warrant, authorize the Selectmen to pay all or any part of the cost of enlarging and improving the said Sweetwater Brook to the Treasurer of the Commonwealth, authorize the Selectmen to enter any necessary agreement with the Department of Public Works of Massachusetts in order to proceed with the aforementioned work under provisions of Chapter 91 of the General Laws, and amendments thereto, and authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 26. Voted that the Town amend the Zoning By-law by adding to the present limits of the General Business Area as heretofore defined and set forth, the following described area, a section of the Town of Stoneham in the northwesterly corner thereof, bounded as follows: Beginning at a point on the dividing line between the City of Woburn and the Town of Stoneham, about 20 feet more or less from the Woburn, Stoneham, Reading Bound, thence the line runs southwesterly about 758.5 feet more or less to the Stoneham-Woburn Corner No. 1. Thence the line runs Southeasterly along a portion of the dividing line between the City of Woburn and the Town of Stoneham towards Stoneham-Woburn Corner No. 2, 1283.83 feet to the westerly side of Route No. 28 relocation. Thence the line runs northwesterly along Route No. 28 relocation about 1231 feet more or less to an angle point. Thence the line turns and runs Northwesterly 401.54 feet along Route No. 28 relocation, to the point of beginning. All according to "Plan for Rezoning Land in Northwest Section of Stoneham, Mass., dated January 24, 1957, by M. J. Markham, C. E.,"

which plan is on file in the Stoneham Public Works Dept., Stoneham, Mass. YES, 420; NO, 108.

In accordance with the vote passed under Article 3 of this warrant, that the meeting shall be adjourned to March 19, 1957 at 7:30 o'clock, the Moderator declared the meeting adjourned to that date and hour.

All the foregoing truly entered, attest

WINTHROP A. McCARTHY

Town Clerk

Adjourned Annual Town Meeting

March 19, 1957

Agreeable to the warrant signed by the Selectmen on February 19, 1957 and in accordance with the vote of adjournment passed at the meeting of March 11, 1957, the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs met in Town Hall on March 19, 1957 at 7:30 o'clock in the evening.

Tellers appointed to check the names of voters entering the hall were as follows: Richard A. Roberts, Edith M. Cook, Violet LeBrun, Peter P. Meehan, Alice C. Walsh and Arline E. Cogan.

The check lists showed that six hundred and twenty-three (623) voters attended the meeting.

It was moved and seconded that consideration of Article 16 be postponed to the next adjourned Town Meeting. This motion was not carried.

Article 16. Voted that the item Salary Accountant under Accounting Department be amended by striking out the amount \$3,800.00 and inserting in place thereof \$4,060.00.

Article 27. It was moved and seconded that the Town amend Article I, Section 3A of the Zoning By-law by striking out Section 3A and inserting in place thereof the following section:

Section 3A—Area Regulations in Single Family Residence A, and Residence B Districts. In Single Family and Residence A. Districts, land laid out and approved after adoption of this section shall provide for each dwelling a minimum lot frontage of 120 feet, and a minimum lot area of 15,000 square feet. In Residence B Districts, land laid out after the adoption of this section shall provide for each dwelling a minimum lot frontage of 70 feet and a minimum lot area of 7,000 square feet.”

This motion was not carried, failing to receive the necessary two-thirds vote required for passage. Yes, 218; No, 167.

It was moved and seconded to reconsider Article 27. This motion was not carried.

Voted to adjourn the meeting to meet in Town Hall on March 25, 1957 at 8:00 o'clock in the evening.

All the foregoing truly entered, attest

WINTHROP A. MCCARTHY
Town Clerk

ADJOURNED ANNUAL TOWN MEETING March 25, 1957

Agreeable to the Warrant signed by the Selectmen on February 19, 1957, and in accordance with the vote of adjournment passed at the meeting of March 19, 1957, the inhabitants of the Town of Stoneham qualified to vote in elections and

Town affairs met in Town Hall on March 25, 1957 at 8:00 o'clock in the evening.

Tellers appointed to check the names of voters entering the hall were as follows: Richard A. Roberts, Edith M. Cook, Violet LeBrun, Peter P. Meehan, Alice C. Walsh and Arline E. Cogan.

The check lists showed that six hundred and seventy-six (676) voters attended the meeting.

Article 28. Voted that the Town take unfavorable action on the subject matter of this article.

It was moved and seconded that Article 28 be reconsidered. This motion was not carried.

Article 29. Voted that the Town take unfavorable action on the subject matter of this article.

It was moved and seconded that Article 29 be reconsidered. This motion was not carried.

Article 30. Voted that the Town amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, so as to include in the General Business District the following described area adjacent thereto and bounded as follows: Southerly by land of Sunnyside Dairy Inc., adjacent to the present limit of the General Business District, 200 feet; westerly by Main Street, 70 feet; northerly by Lots 73 and 63 a distance of 200 feet; and easterly by Central Street, 70 feet; all as shown on "Plot Plan of 64 and 72 in Stoneham, Mass.," dated August 6, 1956, Dana F. Perkins & Sons, Inc., Civil Engineers and Surveyors, Reading, Mass., and recorded in Middlesex South District Registry of Deeds. Yes, 409; No, 58.

Article 31. It was moved and seconded that the Town take unfavorable action on the subject matter of this article. This motion was not carried. Yes, 264; No, 265.

It was moved and seconded that the Town vote to amend the Zoning By-law by adding to the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described area, to wit: "Beginning at a point on the Lynn Fells Parkway and the southwesterly corner of a private way known as Walker Road; thence the line runs southerly by said Lynn Fells Parkway by a curved line 260 feet, to a point at northerly boundary of present General Business District; thence turning and running southeasterly 430 feet to a point on Walker Road; thence turning and running generally northerly on said Walker Road 210 feet, to a point; thence the line turns and runs northwesterly by said Walker Road 20 feet, more or less, to a point;

thence turning and running northerly by said Walker Rd. 25 ft., more or less, to a point; thence turning and running north-westerly by a curved line, by said Walker Road, 230 feet, more or less, to the point of beginning." This motion was declared not carried.

Voted that Article 95 be considered at this time.

Article 95. Voted that the Town take unfavorable action on the subject matter of this article.

It was moved and seconded that Article 95 be reconsidered. This motion was not carried.

It was moved and seconded that Article 31 be reconsidered. This motion was not carried.

Article 32. The Moderator declared Article 32 to be out of order.

Article 33. It was moved and seconded to amend the Zoning By-law of the Town of Stoneham, by striking out the second paragraph of Article I, Section 8 of such law, and insert in such By-law as Article I, Section 18, the following provision.

Section 18—Removal of Soil, Loam, Sand or Gravel—

The removal, for sale or otherwise, from the Town of soil, loam, sand or gravel from land not in public use shall be prohibited.

The removal, for sale or otherwise, from one lot to another in the Town of soil, loam, sand or gravel from land not in public use except when necessarily incidental to or in connection with the construction, at the site of removal, of a building for which a permit has been issued, or for grading or otherwise improving the premises of which such building is a part, shall be permitted only if written permission of the Board of Appeal be first obtained. Any person desiring to obtain the permission of said Board for such purpose shall make written application therefor, and the said Board shall hold a public hearing thereon, of which public notice shall be given, and render a decision. The applicant shall show, to the satisfaction of said Board, that such use of the premises for which such application is made shall not constitute a nuisance because of noise, vibration, smoke, gas fumes, odor, dust or other objectionable features, shall not be hazardous because of fire or explosion, shall not adversely affect the economic status of the Town, shall not tend to impair the beauty of the Town or of the district most immediately affected, and shall not be dangerous to the public health. When, in the opinion of the Board, such a permit may be granted if accompanied by conditions especially designed to

safeguard the district and the town, including protection against permanent and temporary situations which may be left or arise after operations are completed or because of the methods or handling such material at the site, or transporting such material through the town, it shall impose such conditions and make them a part of the permit. The Board may, after a hearing and proof of violation of such conditions or any of the terms of the permit, withdraw the permit, after which the use shall be discontinued.

The penalty for violation of this section shall be as follows: For the first offense, fifty dollars; for the second offense, one hundred dollars; and for each subsequent offense, two hundred dollars."

It was moved and seconded to amend the motion by striking out "Section 18" as appears in line four and line five and inserting in place thereof "Section 20" in both places. This motion was carried.

The motion, as amended, was declared not carried.

Article 34. Voted that the Town authorize the Board of Health to make appointment from its own membership to the positions of Health Officer and Milk Inspector, and raise and appropriate money for salaries of said officers.

Article 35. Voted that the Town raise and appropriate the sum of \$1,500.00 from the revenue of the current year for mosquito control only, and that the said appropriation be expended under the direction of the Board of Health. (Refer to adjourned Town Meeting of April 1, 1957 for further action on Article 35 following vote of reconsideration.)

Article 36. It was moved and seconded that the Town raise and appropriate the sum of \$228,000.00 for the purpose of making certain extraordinary repairs and alterations in the Junior High School Building, raise the said appropriation as follows: From the revenue of the current year the sum of \$28,000.00, and that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$200,000.00 for a period not to exceed ten (10) years, subject to the approval of the Emergency Finance Board in accordance with provision of Chapter 275, Acts of 1948, and amendments thereto, said appropriation to be used in conjunction with funds provided under Article 11 of the warrant for a special Town Meeting held on May 21, 1956, and funds provided under Article 2 of the warrant for a Special Town Meeting held on October 22, 1956, and that the committee appointed under the said Article 11 of the warrant for a special Town

Meeting held on May 21, 1956 be authorized to enter into all lawful contracts or agreements on behalf of the Town to accomplish said votes. This motion was not carried, having failed to receive the necessary two-thirds vote required for passage. Yes, 222; No, 193.

Voted to adjourn the meeting to meet in Town Hall on April 1, 1957, at 8:00 o'clock in the evening.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY

Town Clerk

ADJOURNED ANNUAL TOWN MEETING April 1, 1957

Agreeable to the warrant signed by the Selectmen on February 19, 1957, and in accordance with the vote of adjournment passed at the meeting of March 25, 1957, the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs met in Town Hall on April 1, 1957 at 8:00 o'clock in the evening

Tellers appointed to check the names of voters entering the hall were as follows: Richard A. Roberts, Edith M. Cook, Violet LeBrun, Peter P. Meehan, Alice C. Walsh and Arline E. Cogan.

The check lists showed that seven hundred and fifteen (715) voters attended the meeting.

In accordance with provisions of the By-laws of the Town of Stoneham relating to reconsideration of Town Meeting votes a petition for reconsideration of Article 35 was filed by Frederick F. Mosley with the Town Clerk on March 26, 1957 at 10:54 A.M.

Voted that Article 35 be reconsidered at this time. Yes, 453; No, 79.

It was moved and seconded that the vote under Article 35 be amended by striking out the sum of \$1,500.00 and inserting in place thereof \$2,000.00, and by striking out the words "for Mosquito Control only" and inserting in place thereof "for the purpose of Insect and Pest Control." This motion was carried.

Article 35. Voted that the Town raise and appropriate the sum of \$2,000.00 from the revenue of the current year for the purpose of Insect and Pest Control, and that the said appropriation be expended under the direction of the Board of Health.

In accordance with provisions of the By-laws of the Town of Stoneham relating to reconsideration of Town Meeting votes a petition for reconsideration of Article 36 was filed by Richard

M. Haradon with the Town Clerk on March 27, 1957 at 12:56 P.M.

It was moved and seconded that Article 36 be reconsidered at this time. This motion was not carried. Yes, 284; No, 363.

Article 37. It was moved and seconded that the Town raise and appropriate the sum of \$25,000.00 for the purpose of engaging an architect to prepare final architectural drawings, plans, specifications and the taking of fixed priced bids for the construction of an addition to the Robin Hood School consisting of ten (10) classrooms and other necessary facilities, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. This motion was not carried. Yes, 235; No, 311.

It was moved and seconded that Article 37 be reconsidered. This motion was not carried.

Article 38. Voted that the subject matter of this article be indefinitely postponed.

Article 39. It was moved and seconded that the Town vote to authorize the appointment by the Moderator of a School Survey Committee of five, one to be a member of the School Committee and one from the Planning Board, the purpose of said committee shall be to make a study of long range plans for the future needs of Stoneham Public Schools, and the committee shall report its findings and recommendations not later than the Annual Town Meeting of 1958. This motion was not carried. (Refer to subsequent action taken at adjourned meeting of April 8, 1957.)

Article 40. Voted that the Town raise and appropriate the sum of \$3,000.00 for hard surfacing a section of the South School yard, consisting of approximately 800 square yards, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 41. Voted that the subject matter of this Article be indefinitely postponed.

Article 42. Voted that the subject matter of this Article be indefinitely postponed.

Article 43. Voted that the Town raise and appropriate the sum of \$6,000.00 from the revenue of the current year to provide the Board of Assessors with a Block Plan, so-called, said appropriation to be the third and final amount for the completion of the said Block Plan. Yes, 174; No, 145.

Article 44. Voted that the subject matter of this Article be indefinitely postponed.

Article 45. Voted that the Town authorize the Board of Public Works to pipe a portion of Sweetwater Brook from the culvert at the entrance of Recreation Park westerly a distance of 300 feet, more or less, to the Boston and Maine Railroad right of way, and that money for said work be taken from funds provided under Article 22 of this warrant.

Article 46. Voted that the subject matter of this article be indefinitely postponed.

Article 47. Voted that the subject matter of this article be indefinitely postponed.

Article 48. Voted that the Town raise and appropriate from the revenue of the current year the sum of \$3,000.00 for the purpose of reconstructing certain existing tar sidewalks within the limits of the Town.

Article 49. Voted that the Town raise and appropriate the sum of \$30,000.00 for the improvement of a public way or ways, said construction authorized under the provisions of Chapter 90 of the General Laws, that the said appropriation be raised as follows: The sum of \$7,500.00 from the revenue of the current year; the sum of \$10,661.78 by transfer from the unexpended balances of funds voted for Chapter 90 Construction as follows: 1954, \$2,571.43; 1955, \$4,858.62; 1956, \$3,231.73; and by transfer from the Excess and Deficiency Account the sum of \$11,838.22, that reimbursements from the State and County be placed in the Excess and Deficiency Account upon their receipt, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 50. Voted that the Town raise and appropriate the sum of \$3,000.00 for maintenance of highways which have been constructed with State and County aid under the provisions of Chapter 90 of the General Laws, raise the said appropriation by transfer from the Excess and Deficiency Account, that any receipts from the State and County be restored to the Excess and Deficiency Account upon their receipt, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the town.

Article 51. Voted that the subject matter of this article be indefinitely postponed.

Article 52. Voted that the Town raise and appropriate the sum of \$3,100.00 to purchase one (1) one-ton truck with utility body for use of the Water Department, raise the said appropriation by transfer from the Water Surplus Account, author-

ize the Board of Public Works to make said purchase and dispose of one (1) 1946 Ford Truck now in service, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 53. Voted that the Town raise and appropriate the sum of \$10,000 to purchase one (1) tractor truck of 60,000 pounds gross carrying capacity for use of the Water Department, raise the said appropriation by transfer from the Water Surplus Account, authorize the Board of Public Works to make said purchase and dispose of one (1) 1939 Mack Tractor Truck now in service, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 54. Voted that the Town raise and appropriate the sum of \$2,900.00 for the purchase of one (1) Mist Blower spraying machine, authorize the Board of Public Works to make such purchase, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 55. Voted that the Town raise and appropriate from the revenue of the current year the sum of \$1,500.00 for labor, materials and other necessary expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956.

Article 56. Voted that the Town raise and appropriate the sum of \$2,700.00 to purchase one (1) one-ton dump truck and authorize the disposal of one (1) 1942 one and one-half (1½) ton stake body truck now in service, authorize the Board of Public Works to make such purchase and disposal, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Voted to adjourn the meeting to meet in Town Hall on April 8, 1957 at 8:00 o'clock in the evening.

All the foregoing truly entered, attest.

WINTHROP A. McCARTHY
Town Clerk

ADJOURNED ANNUAL TOWN MEETING April 8, 1957

Agreeable to the warrant signed by the Selectmen on February 19, 1957, and in accordance with the vote of adjournment passed at the meeting of April 1, 1957, the inhabitants of the

Town of Stoneham qualified to vote in elections and Town affairs met in Town Hall on April 8, 1957 at 8:00 o'clock in the evening.

Tellers appointed to check the names of voters entering the hall were as follows: Richard A. Roberts, Edith M. Cook, Violet LeBrun, Peter P. Meehan, Alice C. Walsh and Arline E. Cogan.

enabling the Town to enter upon private land where necessary, and that funds for said paving be taken from the appropriation to be made under Article 92 of this warrant.

Article 82. Voted that the Town accept as a public Town way Greenview Road, so-called, from High Street easterly to Lawndale Road, so-called, as laid out by the Board of Survey.

Article 83. Voted that the Town raise and appropriate the sum of \$3,425.00 to pave Greenview Road, from High Street easterly to Lawndale Road, so-called, under the laws relating to the assessment of betterments, authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, and that funds for said paving be taken from the appropriation to be made under Article 92 of this warrant.

Article 84. Voted that the Town accept as a public way Kenneth Terrace, so-called, from Bear Hill Road northerly and westerly to the end, as laid out by the Board of Survey.

Article 85. Voted that the Town raise and appropriate the sum of \$20,800.00 to pave Kenneth Terrace from Bear Hill Road northerly and westerly to the end under the laws relating to the assessment of betterments, authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, and that funds for said paving be taken from the appropriation to be made under Article 92 of this warrant.

Article 86. Voted that the Town accept as a public Town way Marshall Road, so-called, from High Street easterly to Lawndale Road, so-called, as laid out by the Board of Survey.

Article 87. Voted that the Town raise and appropriate the sum of \$2,990.00 to pave Marshall Road from High Street easterly to Lawndale Road, so-called, under the laws relating to the assessment of betterments, authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, and that funds for said paving be taken from the appropriation to be made under Article 92 of this warrant.

Article 88. Voted that the Town accept as a public Town way Oakridge Road, so-called, from Oak Street westerly and northwesterly to the end, as laid out by the Board of Survey.

Article 89. Voted that the Town raise and appropriate the sum of \$2,550.00 to pave Oakridge Road from Oak Street westerly and northwesterly to the end, under the laws relating to the assessment of betterments, authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon

private land where necessary, and that funds for said paving be taken from the appropriation to be made under Article 92 of this warrant.

Article 90. Voted that the Town accept as a public town way Bow Street Court, so-called, from Bow Street easterly 750 feet, more or less, as laid out by the Board of Survey.

Article 91. Voted that the Town raise and appropriate the sum of \$9,025.00 to pave Bow Street Court from Bow Street easterly 750 feet, more or less, under the laws relating to the assessment of betterments, authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, and that funds for said paving be taken from the appropriation to be made under Article 92 of this warrant.

Article 92. Voted that the Town raise and appropriate the sum of \$50,000.00 to pave public ways under the laws relating to the assessment of betterments according to votes passed under Articles 79-81-83-85-87-89 and 91 of this warrant, that the said appropriation be raised as follows: the sum of \$7,000.00 by transfer from the Excess and Deficiency Account, and that the Town Treasurer, with the approval of the Selectmen, be authorized to sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$43,000.00, said bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

Article 93. It was moved and seconded that the Town vote to authorize the Moderator to appoint a committee of five (5) citizens to study the advisability of continuing the operation and maintenance of the Town Infirmary as a municipal institution, and that the said committee be instructed to report at the next annual Town Meeting. This motion was not carried.

Article 94. Voted that the Town raise and appropriate from the revenue of the current year the sum of \$1,000.00 for the purpose of reconstructing the front steps and sidewalks at the main entrance of the Town Hall, and authorize the Selectmen to obtain bids for said reconstruction. Unanimous.

Article 95. This article taken up following Article 31 at adjourned meeting of March 25, 1957.

Article 96. Voted that the Town raise and appropriate the sum of \$100.00 from the revenue of the current year for the purpose of acquiring by purchase or by taking by right of eminent domain under provisions of Chapter 79 of the General Laws, for

sewer easement purposes, the following described parcel of land in Stoneham as appears on "Plan of Sewer Easement in Stoneham, Mass., dated December 14, 1956 by M. J. Markham, C. E.," Beginning at the southeast lot corner of Lot F-1 belonging to, now or formerly, Francis M. and Lillian A. McGaffigan at 54 Main Street, thence the line runs North $84^{\circ} - 07' - 38''$ West, 136.51 feet to a point; thence the line turns and runs North $5^{\circ} - 52' - 22''$ east, 15.00 feet to a point; thence the line turns and runs South $84^{\circ} - 07' - 38''$ East, 129.89 feet to a point on the easterly lot line; thence the line turns and runs South $17^{\circ} - 56' - 50''$ East, 16.40 feet along the said easterly lot line to the point of beginning, and the said area to be taken equals 1998 square feet, more or less. Unanimous.

Article 97. Voted that the Town amend the Board of Health Regulations by inserting in the section headed "Nuisances" in public dumping ground herein referred to is subject to the regulations of the Board of Health and any violation of these regulations by any person or persons shall make such person or persons subject to a fine of not more than \$20.00 for each separate offense."

the third paragraph after the word "Health" the following: "The

Article 98. Voted that the Town amend the Town By-law, Article 12, under "Miscellaneous Provisions", Section 20, by adding to the present Section 20 the following: "On the westerly side of Main Street from Marble Street to Benton Street; on the westerly side of Main Street, from the building now occupied by the Sloane Furniture Company at its southerly end, in a northerly direction to Maple Street; On the westerly side of Main Street from the driveway at the southerly end of the building now known as the Trodella Block in a northerly direction to Montvale Avenue.

Article 99. Voted that the Town amend the Town By-law, Article 12, under "Miscellaneous Provisions", by adding a new section to be known as Section 20A which shall read as follows: "The tenant, occupant, and in case there shall be no tenant or occupant, the owner of any building or lot of land used for business purposes bordering on Main Street from South Street to North Street on the easterly and westerly sides of Main Street shall not in the process of snow removal on the lands owned, occupied, leased or rented by them on said Main Street as above described deposit snow or cause snow to be deposited on the sidewalk areas or any area of Main Street as above described."

Article 100. This article taken up following Article 4 at adjourned meeting of March 11, 1957.

All the requirements of law having been complied with the meeting was finally adjourned.

All the foregoing truly entered, attest,

WINTHROP A. McCARTHY

Town Clerk

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

Stoneham, Oct. 1, 1957

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of Stoneham in the County of Middlesex, hereby certify the following is a true copy of Article 26 of the warrant for the annual Town Meeting of 1957, duly called, warned and held on March 4, 1957 and adjourned to March 11, 1957, at which time a quorum of 914 voters were present when said Article 26 was before said meeting:

Article 26. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business Area as heretofore defined and set forth, the following described area, a section of the Town of Stoneham in the northwesterly corner thereof, bounded as follows: Beginning at a point on the dividing line between the City of Woburn and the Town of Stoneham, about 20 feet more or less from the Woburn, Stoneham, Reading Bound, thence the line runs southwesterly about 758.5 feet more or less to the Stoneham-Woburn Corner No. 1. Thence the line runs Southeasterly along a portion of the dividing line between the City of Woburn and the Town of Stoneham towards Stoneham-Woburn Corner No. 2, 1283.83 feet to the westerly side of Route No. 28 relocation. Thence the line runs northwesterly along Route 28 relocation about 1231 feet more or less to an angle point. Thence the line turns and runs Northwesterly 401.54 feet along Route No. 28 relocation, to the point of beginning. All according to "Plan for Rezoning Land in Northwest Section of Stoneham, Mass., dated January 24, 1957, by M. J. Markham C. E.", which plan is on file in the Stoneham Public Works Dept., Stoneham, Mass.

I further certify that, acting under Article 26, the following action was taken:

Article 26. Voted that the Town do amend the Zoning By-law adding to the present limits of the General Business Area as heretofore defined and set forth, the following described area, a section of the Town of Stoneham in the northwesterly corner thereof, bounded as follows: Beginning at a point on the dividing line between the City of Woburn and the Town of Stoneham, about 20 feet more or less from the Woburn, Stoneham, Reading Bound, thence the line runs southwesterly about 758.5

feet more or less to the Stoneham-Woburn Corner No. 1. REPORT OF BOARD OF PUBLIC WELFARE

To the Citizens of the Town of Stoneham:

The Board of Public Welfare herewith submits its annual report for the year 1957.

Following the Annual Town Election, the Board held its first meeting on March 7, 1957, and was organized as follows:

Donald J. Morrison, Chairman; Alton W. Estes, Secretary; and Michael J. Rolli, Clerk.

At this meeting, it was unanimously voted that the Board of Public Welfare act as members of the Bureau of Old Age Assistance for the ensuing year and this Board was organized as follows:

Alton W. Estes, Chairman; Michael J. Rolli, Secretary; and Donald J. Morrison, Clerk.

It was also unanimously voted to make the following appointments:

Paul E. Houghton, Agent; Paul E. Houghton, Supervisor of Old Age Assistance; Thomas M. Hurley, Superintendent of Town Infirmary; and Gertrude A. Hurley, Matron of Town Infirmary.

Meetings of the Board are held on the first and third Thursdays of each month, at which time all policies and activities of the Department are discussed and acted upon.

The office is open daily, Monday through Friday, from 8:30 A.M. to 12:00 Noon and 1:00 P.M. to 5:00 P.M.

At the time of organization, the department personnel consisted of an Agent, one Social Worker, a Senior Clerk and a Junior Clerk and Stenographer. The Department was without the service of one Social Worker but this was remedied later on in the year. Mrs. Harriet O. Whiting was appointed Social Worker on a permanent basis.

All categories of relief are handled by this staff and each member is under Civil Service which is a requirement.

The Federal Government reimburses the Town for approximately 40 per cent of the Salaries and Expenses of the office.

The Federal Government and State also reimburse the Town for approximately 84 per cent of Old Age Assistance Relief, 73 per cent of Aid to Dependent Children and 75 per cent of Disability Assistance.

Receipts from the Federal Government are placed in a separate fund and are used only by the Welfare Department. These funds are used in figuring our annual appropriation and our request from the Town is reduced accordingly.

GENERAL RELIEF

Our General Relief Case Load was lower in 1957 than in 1956 and our expenditures were \$20,918.33 which was approximately \$8,007.64 less in 1957 than in 1956. Hospital rates for Welfare Patients increased from \$14.27 per day to \$16.14 as of January 1, 1957, and this rate undoubtedly will increase again as of January 1, 1958. These rates are certified by the Commission on Administration and Finance in accordance with the General Laws.

On September 1, 1957, the State Department of Public Welfare granted a cost of living increase of 5.7 per cent.

The following schedules show the activity of General Relief during the year:

COMPARISON OF OUTSIDE RELIEF CASES AID, 1956-1957

	Cases Persons		Cases Persons

DISABILITY ASSISTANCE

This is a Federal-State-Town participating form of relief which is given to permanently disabled persons, 18 years of age and over. We now have 10 cases on our rolls which cost approximately \$1,000.00 monthly. We have aided the same number of cases in 1957 as in 1956.

On September 1, 1957 the State Department of Public Welfare granted a cost of living increase of 5.7 per cent. The Nursing Home rate was also increased from \$35.00 a week to \$40.25. On November 7, 1957, children's legal exemptions were also increased.

The following schedules show the activity of this category of assistance during the year.

OLD AGE ASSISTANCE

This category of assistance was very active during the year 1957. A detailed report of this category of assistance will be found in the Report of the Bureau of Old Age Assistance.

HELEN STOCKWELL FUND

This fund was created and set up many years ago by the late Helen Stockwell. The income from this fund is used for hospital care for any needy resident of Stoneham who is not receiving relief through the Welfare Department.

The Trust Fund is held and administered by the Boston Safe Deposit and Trust Company and the Welfare Department designates who is eligible for benefits. The Welfare Department investigates all cases and approves all bills, which are

paid directly by the Boston Safe Deposit and Trust Company. This fund is set up to be used in a Stoneham Hospital of which we have one, the New England Sanitarium and Hospital.

On May 19, of each year the unexpended balance is turned back into the principal and the income from this fund is now amounting to \$5,000.00 per year.

Requests for the use of this fund were much higher in 1957 than in 1956.

DONALD J. MORRISON, Chairman

ALTON W. ESTES, Secretary

MICHAEL J. ROLLI, Clerk

To The Board of Public Welfare

Stoneham, Massachusetts

Gentlemen:

We herewith submit the twenty-seventh annual report of the Bureau of Old Age Assistance. This report is for the year 1957.

The Bureau met on March 7, 1957 and organized as follows:

Alton W. Estes, Chairman; Michael J. Rolli, Secretary; and Donald J. Morrison, Clerk.

At this meeting the Bureau voted to appoint Paul E. Houghton as Supervisor of the Bureau of Old Age Assistance.

The Bureau held meetings on the first and third Thursday of each month during the year.

All applications for assistance and revisits are considered and acted upon at these meetings and any other business necessary for the carrying out of this program is discussed.

During the year, at least two home visits were made to

all recipients and many additional calls were made to adjust grants and discuss problems of the recipient.

On January 1, 1957 the Division of Hospital Costs increased the hospital rate at the New England Sanitarium from \$14.27 per day to \$16.14.

On September 1, 1957 the State Department of Public Welfare increased Old Age Assistance Grants by 5.7 per cent due to the increased cost of living. On September 15, 1957 the Nursing Home rate was increased from \$35.00 per week to \$40.25. On October 29, 1957 the Law increased childrens exemptions for this category of relief.

Cost of Medical care in this category of assistance continues to be a major item of expense. This item is now costing approximately one-third of our monthly expenditures.

The following schedules show the activity and financial picture of this category of relief.

DONALD J. MORRISON, Clerk
Bureau of Old Age Assistance

To The Board of Public Welfare

Stoneham, Massachusetts

Gentlemen:

December 31, 1957:

We hereby submit our annual report for the year ending

Number of patients cared for up to Dec. 31, 1957 28

Number of patients at present 17

Number of patient days 5967

At present we have six patients that require constant care and attention 24 hours a day.

Our four cows furnish us with enough milk for everyone in the household.

We had our usual vegetable garden and this garden yielded plenty for our table use plus a surplus that allowed us to can 600 quarts.

We redecorated our men's dining room, women's dining room, hallways and sick bay. Two badly needed new storm doors were also installed. A new retaining wall was built on the Town Land adjoining Gracewood Road.

We wish to thank the Townspeople for their donations and their kindnesses to our patients during the past year. A special thanks to the Police Department for the efficient manner in which they transported our patients to and from the hospitals. Also the Public Works Department for their quick removal of snow and to the local Fire Department, who are constantly checking on our safety. A deserving word of praise is also due to our Clergymen, Doctors, churches and local organizations. Last but not least, a special thank you to our personnel for their faithful service to our patients.

Submitted by
THOMAS M. HURLEY, Supt.
GERTRUDE A. HURLEY, Matron

ANNUAL REPORT OF THE STONEHAM HOUSING AUTHORITY

Stoneham, Massachusetts.

Honorable Board of Selectmen:

In compliance with the General Laws of the Commonwealth of Massachusetts, the Stoneham Housing Authority hereby submits its annual report for the year ending December 31, 1957.

The Authority organized and has functioned continually as a body politic and a corporate entity since its creation by unanimous vote at the Town Meeting on March 22, 1948. The Authority is a body entirely separate from the Town of Stoneham or the Commonwealth of Massachusetts.

The annual meeting of the Authority was held, as directed by its By-laws, at the Town Hall in Stoneham, Massachusetts on Wednesday, April 10, 1957.

The Authority, which consists of the same members since it organized in 1948 are as follows:

J. Herbert Blinn, Chairman; Robert V. Brooks, Vice Chairman; Edward F. McNevin, Treasurer; Donald A. Lawson Assistant Treasurer and Arthur P. Coombs, Jr.; and Attorney John E. Finnegan, Executive Director and Counsel.

The Authority owns three separate projects. Two are veterans housing projects and one is housing for the elderly. Veterans project 200-1 is situated at Calthea and Washington Streets and consist of 48 units in 12 quadruplex houses. Veterans project 200-2 is situated on Prospect Street and Washington Avenue and consists of 24 units in 12 duplex houses. There are 72 families in these two projects with an average monthly rent of \$48.25 including water costs.

Korean veterans are now eligible for this Veterans Housing Program if they were in the service between June 25, 1950 and January 31, 1955.

The critical demand for housing for veterans has been relieved to some extent and although the Authority has at all times an eligible list awaiting vacancies in the projects, we are now in a position to admit critical cases with much shorter notice than heretofore. Applications are available in either the Stoneham Housing Authority office or the Veterans Services office at the Town Hall.

The admission limits range from \$3950 to \$4350, depending on the number of children and after allowable deductions. The continued occupancy limits range from \$4,400.00 to \$4,800.00 after allowable deductions.

The Authority held its annual spring inspection on both projects and found both the inside and the outside of the buildings in a very satisfactory condition which reflects favorably on the management and the fine type of tenant in the projects.

Tenant morale is high and the tenants with the cooperation of the Authority had a fine lighting display during the Christmas holiday season.

The annual Town Meeting of 1955 voted to approve construction of housing for the elderly as authorized by the Legislature.

A site owned by the Authority on Washington Avenue was selected and approved by the State Housing Board.

Plans for 29 units for Housing for the Elderly were drawn and after approval by the State Housing Board were submitted for bids. Two offers for bids were rejected and upon the third submission the lowest bidder, Roberto Construction Company, Inc. of Wakefield was accepted.

The total cost of the project including extras will amount to \$262,856.89. There are 29 units in three buildings. Buildings are of brick construction and include a living room, a bedroom, full bath and an all electric kitchen. The Authority provides electric refrigeration and electric stoves.

The homes were completed and 90% occupied on December 1, 1957. Minimum rent, which 90% of the tenants pay is \$43.00 per month with heat and water provided. Maximum rent on 667-1 is \$49.00 per month.

There are 21 single units and eight double units for couples. Rent is not affected by the size of the dwelling.

Tenants for the Housing for the Elderly project must be at least 65 years of age and residents of Stoneham.

Management and supervision of these projects is under the direction of Attorney John E. Finnegan, Executive Director, for whose conscientious and able supervision the Authority is most grateful.

The Stoneham Housing Authority wishes to take this opportunity to thank the Superintendent of Public Works, Mr. Edwin Callahan and his staff for their tireless efforts in our behalf. We are also grateful to the legislative and administrative bodies of the Town of Stoneham, the Commonwealth of Massachusetts and to the townspeople for their continued support. Last, but not least may we thank our good tenants for their fine cooperation and interest as shown in the care of our projects.

Respectfully submitted,
J. Herbert Blinn, Chairman
Stoneham Housing Authority

Cesspools	80
Fees for permits	\$1,098.00

Respectfully submitted
 KENNETH G. SHAW
 Plumbing Inspector

REPORT OF THE FIRE DEPARTMENT FOR 1957

To the Honorable Board of Selectmen:
Gentlemen:

The following report of the Fire Department for the year 1957 is respectfully submitted.

The personnel of the Fire Department consists of, one (1) Chief; three (3) Captains; three (3) Lieutenants; eighteen (18) Privates; one (1) Mechanic; and five (5) Call Fire fighters.

The Department answered 842 Alarms in the past year of which 148 were bell alarms (13 of which were false), 32 Mutual Aid calls, 694 still alarms including 31 inhalator cases.

There were used at fires during the year 32,250 feet of 2½ inch hose, 32,300 feet of 1½ inch hose, 76,300 feet of booster line hose, 2,673 feet of ladders, 570 pounds of carbon dioxide gas, and 4,840 cubic feet of oxygen.

The amount of property endangered by fire was \$272,890.48.

The amount of property lost by fire was \$64,932.55.

The amount of insurance paid was \$59,932.55.

The net loss for the year was \$5000.00.

During the year there were 31 complaints received, which were investigated by the department, some of these with the co-operation of the State Fire Marshal's office and our local Building and Wire Inspector.

There have been 195 oil burner inspections, 15 liquefied petroleum gas inspections, 48 blasting permits issued and 12 inspections made in the retail business district of the Town during the past year.

Regular inspections have been made of all schools, nursing homes, Home for the Aged, and the New England Sanitarium and Hospital.

Fire drills were conducted by the department at regular intervals in all the public and private schools during the year.

During the past year the members of the department have drilled with the equipment at various times throughout the year to remain thoroughly familiar with the equipment and the use of it.

The motor equipment consists of two (2) 750 gallon Seagrave pumping engines with auxiliary pumps capable of delivering up to a thousand pound pressure for use as a fog pump, a 750 gallon Seagrave pumping engine, a 100 gallon Seagrave pumping engine, a 200 gallon pumping engine, equipped with a 200 gallon booster tank, two 300 foot booster line reels and 1800 feet of 1½ inch hose, a 65 foot Seagrave Junior Aerial ladder truck, a

Chrysler Chief's car and an aerial equipped Ford service truck for Fire Alarm use.

I wish to call to your attention at this time that Engine 4, a 200 gallon pumping engine purchased in 1945, should be replaced in 1959.

Due to the growth of the Town and the amount of property being developed, and with the number of service calls answered, I feel that the permanent personnel of the department should be increased by five (5) men in 1958, so as to give the citizens of the Town the best protection that is possible.

The Fire Alarm system is in good condition and I recommend that new underground cable be installed from Union Street to Elm Street in the near future.

I wish to express my thanks and appreciation to Mr. Donald J. Morrison, Supervisor of the Fire Department, and to the Board of Selectmen, for the cooperation shown by the Board in dealing with the problems of the Department.

In concluding this report, I wish to express my thanks and appreciation to the Police Department, the Building and Wire Inspector, Bernard H. Corbett, and all other Town officials, department heads and the officers and members of the Fire Department, and the citizens of the Town, for their cooperation and assistance during the past year.

Respectfully submitted,
William E. Crosby
Chief of Fire Department

Safety Education

I hereby submit as Safety Officer for the Police Department the following report for the year 1957:

During the year, I made many visits to the Elementary Schools, Public, Parochial and Seventh-day Adventists, instructing the children in good safety habits. The Safety Program was given a boost when on September 26, 1957 the Rotary Club of Stoneham presented a 16mm sound projector and screen to be used in the instruction of Safety Education.

During November, over two thousand pamphlets were given out to the school children warning them of hidden dangers that might confront them when they are away from home. The pamphlets were paid for and presented to us by the Stoneham Rotary Club.

During March and April, I visited all schools in Stoneham with Inspector James Press of the Registry of Motor Vehicles who gave some excellent talks and showed very interesting films.

I attended several safety meetings throughout the state with other safety officers during the year.

The Stoneham Motor Company contributed their share to safety during the year by donating a new Ford car to be used in connection with Safety Education.

The Safety Officer desires at this time to express his appreciation for the cooperation extended to him by the various Town departments and the citizens of the Town.

Respectfully submitted,
ROBERT D. O'MELIA
 Safety Officer
Safety Award

The Stoneham Police Department received from Rudolph F. King, Contest Representative, Chairman, Massachusetts Highway Safety Committee an award for 1955-1956 for its outstanding record of no Pedestrian Deaths for those two years.

Commendations

On July 23, 1957, a resolution for each of the following members of the department was received from the Board of Selectmen, commending them for twenty-five years of faithful service and granting each a seven day leave of absence: Sergeant Andrew J. Tuney. Sergeant Robert H. Bradley, Patrolman George J. McDonough.

Auxiliary Police

I respectfully submit the annual report of the activities of the Stoneham Civil Defense Auxiliary Police for the year 1957.

There are thirty members of the Auxiliary Police and during the year they performed 461 man hours of duty as follows:

Street Duty	164 man hours
Class Room Study	136 man hours
Revolver Practice	161 man hours

Respectfully submitted,
SERGEANT ROBERT H. BRADLEY
Instructor of Auxiliary Police

Recommendations

I recommend that additional police boxes be located in different sections of the Town.

I recommend that the personnel of the Police Department be increased due to the rapid growth of our Town.

Due to the growth of the department, I recommend that the present Police Headquarters be enlarged or a new building be erected due to the needs to carry on our present problems. No expansion to the building itself has been made since 1917.

During the year 1957, the department received many commendatory letters from citizens of the Town in regard to the special protection given their homes during periods in which they were away and also other services rendered.

The Stoneham Police Department is a community service as well as a law-enforcement agency. It is the guardian of your property and welfare. When law breakers infringe upon your security, it is the department's main function to provide protection of life and property and to apprehend the criminal. Equally important, too, is the obligation and desire of the Police Department to continue its work in the prevention of crime.

Your Police Department is anxious to give you the maximum protection possible with the personnel and equipment available. We solicit your cooperation in assisting the Police Department.

ment to keep Stoneham a respected and law-abiding community.

The Captain of Police desires at this time to express his appreciation for the cooperation extended to him by the various Town Departments and the citizens of the Town.

Respectfully submitted,
J. CLARENCE NELSON
Captain of Police
Stoneham, Massachusetts
January 24, 1958

To the Honorable Board of Selectmen
Gentlemen:

I submit my annual report for the Sealer of Weights and Measures Department for the year ending December 31, 1957.

The usual work of this department has gone along smoothly during the past year. The completion of the Redstone Shopping Center brought considerable extra work but it has all been taken care of promptly.

There have been some new and up to date gasoline meters installed during the year, and the weighing and measuring devices in town are in good condition.

Fees to the amount of \$175.50 have been collected and turned over to the Town Treasurer.

A summary of the work completed during the year is attached.

Respectfully submitted,
J. A. FORBES

REPORT OF THE TOWN MODERATOR

It is a pleasure to submit herewith my report as Town Moderator for the year 1957. As there were no Special Town Meetings held during the year, I conducted only the proceedings of the Annual Town Meeting which embraced several sessions. Under the Town By-Laws the following committees were appointed:

Committee to Appoint Finance Board Members: Joseph W. Odlum, 29 Keene Street; Norman R. Houghton, 28 Congress Street; and Donald F. Glynn, 13 Stevens Street.

Town Organ Committee: Weston L. Brannen, 2 Lincoln Street; Alma F. Patch, 28 Lincoln Street; and Mildred N. Hay, 15 Congress Street.

The Town Meeting authorized the appointment of committees as follows:

School Survey Committee: (Article 39—Marcus V. Brewster, 6 Washington Avenue (Planning Board); John E. O'Doherty, 25 Broadway (School Committee); George S. Annis, 1 Forest Street (re-appointment); Helen B. Osgood, 46 Governor Road (re-appointment); Raymond H. Seitz, 1 Cowdrey Street (re-appointment).

Purchase of Police Cruisers: (Article 66 and Article 67)—Randolph J. Owen, 62 Green Street; Robert V. O'Brien, 15 Elizabeth Road; and J. Clarence Nelson, 7 Steele Street.

Police Station Plans Committee: (Article 70)—Charles E. Ames, 55 Elm Street (re-appointment); Dyer E. Carroll, 89 Spring Street (re-appointment); Lawrence Macdonald, 79 Pleasant Street (re-appointment); Joseph W. Mahoney, 14 DeWitt Road (re-appointment); J. Clarence Nelson, 7 Steele Street (re-appointment); Lawrence F. Hurley, 21 Lindenwood Road (Selectman); William W. Mackay, 50 Elm Street (Selectman); and Stanley D. Wood, 27 Warren Street (Selectman).

The resignation of Marcus V. Brewster as Stoneham Planning Board Member of the School Survey Committee in May required a replacement. Millard D. Taylor, 21 Curve Road, was appointed to fill the vacancy.

As a member of the Massachusetts Moderators Association, it has been my pleasure to represent the Town of Stoneham at its meetings during the year. The Association is a most worthwhile organization, and presents an opportunity for the discussion of the Town Meeting matters which has proven very beneficial to the members. The practice of sounding the fire alarm one hour before the time set for opening the Town Meeting which was adopted this past year, has met with favorable comment, and is reflected in somewhat better attendance at

Town Meeting sessions. It is recommended that the practice be continued in the future.

Again may I thank the Town Clerk, Board of Selectmen, Finance Board and Town Counsel for their cooperation, and I also wish to express my appreciation to those who have served on the several committees appointed by the Moderator.

Respectfully submitted,
ORVIS H. SAXBY, Moderator

REPORT OF THE PERSONNEL BOARD

To the Board of Selectmen and to the Citizens of the Town of Stoneham:

The following report of the Personnel Board for the year 1957 is respectfully submitted.

Mr. Frank R. Noyes was appointed to a 5 year term to fill the vacancy when the term of Mr. John P. English expired and took office May 1, 1957, at which meeting Mr. Harrison Hyer was re-elected Chairman and Mr. Arthur G. Chapman was re-elected Secretary to the Board.

There were 31 official Board meetings held during the year and several conferences with various department heads or representatives.

As members of the Massachusetts Municipal Personnel Boards Association, Board members attended a two day seminar at the University of Massachusetts, Amherst, in June and the regular annual meeting of the Association in December at Framingham.

As of December 31, 1957 there are a total of 171 Town Employees: 140 permanent; 11 permanent part time; and 20 temporary.

During the year there were 19 terminations of employment as follows: 6 permanent employees, 9 emergency grade laborers (of which 4 returned to school) 4 provisional or temporary employees. There were 30 new hirings as follows: 14 permanent, 2 temporary, 4 part time, 1 provisional, and 9 emergency grade laborers.

There were 12 changes of classification to higher grades and 1 departmental transfer.

Due to the pay scale in surrounding Towns we find it necessary to recommend an increase in wages this year in some classifications.

Respectfully submitted,
HARRISON HYER, Chairman
ARTHUR G. CHAPMAN, Secretary
NICHOLAS MESSINA
EDITH COOK
FRANK R. NOYES

REPORT OF THE TRUSTEES OF STONEHAM PUBLIC LIBRARY

The 99th annual report of the Trustees of the Stoneham Public Library is herewith presented as a report of progress and service to the Townspeople of Stoneham.

At the March meeting of the Stoneham Library Trustees held Tuesday evening March 5, 1957, Mr. Fred A. Lawson was unanimously elected Chairman of the Board, and Mrs. Nance B. Barnstead, Secretary. The following appointments for the year 1957 were made:

Book Committee: Nance B. Barnstead, John W. Farquharson.

Music Committee: Kathryn B. English, John N. Kelly.

Building and Grounds Committee: Elbert R. Boyd, John N. Kelly.

Finance chairman: Elbert R. Boyd.

The first matter of business for the Library year was a discussion of plans for putting into action several projects which the Trustees had envisioned when the work of rehabilitating the Library facilities was accomplished early in 1956.

These plans included the extension of music appreciation through record concerts and the organization of an auxilliary group to be called "Friends of the Stoneham Public Library," whose objects would embrace many cultural activities which are normally a part of a well-rounded Library program and which our Library with its beautiful hall and modern kitchen is so ideally equipped to handle.

Hence it was with great satisfaction that we found that Mr. James S. Healey, our new Librarian, was enthusiastic in his desire to carry out such a program.

We are very happy to report that the activities of the recently organized "Friends" have already exceeded our fondest hopes.

Because this organization is doing so much for our Library we believe it is fitting to include the names of the officers and group leaders in this report:

Officers: Mr. F. E. Luborsky, President; Mr. S. N. Hedman, Vice President; Mrs. M. L. Waters, Secretary; Mrs. N. Arsenault, Correspondent Secretary; Mr. S. E. Perry, Treasurer.

Activities Chairmen: Mr. Morris L. Waters, "Great Books Group;" Mr. and Mrs. S. N. Hedman, Art Activities; Mr. M. J. Files, Choral Group; Mrs. Vita Rolfsen, Dramatic Group.

During the summer the Stoneham library was the recipient of the gift of a large World Globe and a fine table. This was presented by Mr. and Mrs. Donald C. Chase, the son and daugh-

ter-in-law of the late Prof. Charles H. Chase, who had served as a Trustee of the Stoneham Library over a period of fifty years and as its chairman for twenty-five years.

Also, another gift presented to the Library this year was an American flag for Library Hall, given by Stoneham Post 115, American Legion. Officers of the Legion Post presented this flag at the public record concert in October.

In July, Mr. Koury of the Music Department of the Boston Public Library, was presented with a record album by the Trustees in appreciation for all the time and effort he had devoted to the record concerts held at the Stoneham Library throughout the past year.

Late in September, the Trustees were made aware of the fact that the Librarian, Mr. Healey, would have to undergo surgery and that additional part-time help would be required. The manner in which the staff cooperated in this emergency was greatly appreciated by the Trustees.

The Library was fortunate in having the voluntary services of several Stoneham Girl Scouts who offered to help out in Library work as part of their badge requirements, without remuneration. These efficient Library aides performed many tasks and proved most helpful to the Library staff.

At the October Board Meeting Mr. Healey was commended by the Trustees for his fine presentation of charts of facts and figures showing the growth of the Library past and present, including his predicted statistics for expansion and growth in the years to come.

In November, the Trustees accepted with regret the resignation of Mr. Schmuck, who had accepted a position in another Library. In the brief time that Mr. Schmuck had worked in the Library, he had made many friends and had helped many adults and young people in reference and circulation.

The Trustees promptly arranged an interview with Mrs. Alice F. Sullivan, who had submitted an application for the position of Circulation and Reference Librarian. Mrs. Sullivan made a very favorable impression on the Board with her neat appearance, pleasant personality, her intelligence and obvious suitability for the position. It was voted that Mrs. Sullivan be asked to accept the position left vacant by Mr. Schmuck. She accepted and stated that she would be ready to start work in one week.

Mrs. Sullivan, a native of Lawrence, has a fine educational background for the position she has assumed. She has a Bachelor of Music education degree from Northwestern University. She has done graduate work at the University of Connecticut

and has taken graduate courses in Library Science from University Extension courses. Her Library references include the following:

At the Lawrence Public Library she was Assistant Reference Librarian, was Music Librarian at the University of Connecticut, worked at Boston College in the School of Social Work, and at Boston University in the Physical Research Library.

The Board of Trustees feel sure that Mrs. Sullivan will prove a valuable addition to the Library Staff in the months to come.

The Stoneham Garden Club has again generously provided flower arrangements for the rotunda throughout the year. The Trustees and Library Staff are most appreciative of this fine contribution of time and talent by the Garden Club members.

The coming year with all its activities will be one of continued progress. To meet the growing needs one addition to the staff will be necessary.

Physical requirements include the need for painting the outside trim of the Library building and an article will be inserted to replace the twenty-five year old coal burning stokers with an oil burner, for economy and efficiency.

When these improvements have been completed the building, in which we now take great pride, will be in as near a perfect condition as any public building can be.

During the coming year we shall be looking forward and planning to fittingly celebrate the 100th anniversary of the Stoneham Public Library which occurs in 1959. It is significant to note that our Stoneham Public Library is said to have been the second free Public Library in the State.

Respectfully submitted,
FRED A. LAWSON, Chairman
NANCE B. BARNSTEAD, Secretary
ELBERT R. BOYD
KATHRYN B. ENGLISH
JOHN W. FARQUHARSON
JOHN NORTON KELLY

REPORT OF THE LIBRARIAN

To the Trustees of the Stoneham Public Library,
Mr. Chairman, Ladies and Genuemen:

It is my pleasure to present to you, this, the 99th annual report of the year 1957, a year of great achievement for the Stoneham Public Library.

Too often, Libraries have a habit of dying by the poison of dis-use. The only antidote for such a disease is the use of the Library by the entire community. Rather than being a mere

book warehouse, the Library must take its ideas into the market place. For truth never comes off second best in any argument. Thus, the Library, as a bastion of truth, must take itself to the people, instead of waiting for the people to come to the Library.

This is exactly what we have done in 1957 in Stoneham. We have carried the Library to the people of the Town, in any way that we thought that they would use us. The Library, long accustomed to being a center of thought and reflection, is on its way to being a true community center for all of the people of Stoneham. We have offered many services to the people and they have not only accepted these services, but they have bound them to their hearts with hoops of steel. But in saying that we have offered many services to the Town, let me not forget to say that the one thing which characterizes the people of Stoneham is the great generosity of interest that they all have. Without this generosity of interest, nothing that we would do would be of value.

The Staff

Nineteen fifty-seven was a year of change for the staff. In April, Mr. Joseph J. Schmuck took the position of Circulation-Reference Librarian. He remained but a few months, leaving in November to take the position of Assistant Librarian at the Reading Public Library. We were happy for Mr. Schmuck in his advancement, but unhappy at his loss. The gap left by his departure was ably filled by the addition to the staff of Mrs. Alice Forsythe Sullivan. Mrs. Sullivan comes to us as a veteran of many libraries, including the Lawrence Public Library, the University of Connecticut, Boston College and Boston University Libraries.

Late in August, we lost Miss Bernadene Bacon, our part-time assistant. She entered Keuka College in New York. Taking her place we have Miss Patricia Ward, as assistant to Miss Golding in the Children's Room.

Other than these changes, the staff remained the same. Miss Solglad Burtch continued as Cataloger with her usual able competence. Miss Margaret I. Golding, Children's Librarian, despite the vast increases in her department, managed to continue her excellent work. Mr. Henry Wetzler, Custodian, proved again, that a man's work, when carried out well, doesn't need his presence to show it off. Mrs. Sara MacDonald, Library Assistant, had her smile for all of our patrons, and added to the friendliness of the Library. Rounding out the staff was Mrs. Mary Ward, our part-time assistant in the Adult Department who could always be counted on to be here when she was needed.

Library Activities

Few libraries have been as active as the Stoneham Public Library in the year 1957. In the year past, many ideas have been put forth for the perfecting of service and use.

In January 1957, a concert series was begun. Using records and Library Hall, a regular symphonic program was presented. In the six concerts held, one a month, 150 people took advantage of the music, Mr. Koury's program notes and the general relaxed enjoyment of the evenings. Coffee break intermissions were held beginning in March, thanks to the idea of Mrs. Pearl Mayman and Mrs. Florence Luborsky. The ladies of the Board, and the wives of the gentlemen members each poured at one of the concerts. Often, people would stay in the kitchen, finishing the coffee, and washing the dishes until midnight. The concerts also served for the basis of an article which the Librarian published in the Bay State Librarian, the journal of the Massachusetts Library Association.

In October, a new series was opened. Mr. Koury worked out an idea that has already proved very popular. The present series deals with music in its various forms, and the development of those forms. Already, we have had evenings on the symphony, and one on the opera. We both realize of course that it is impossible to play even a fraction of the music that we would like to play. However, the idea behind the concerts is to encourage people to seek out more of the best by using our excellent record collection.

Turning to more basic work, a complete evaluation of the Library's resources was begun early in the year. This is a long and very time consuming process. But it will, when completed enable us to determine where we must buy to strengthen our collections. Our criteria for this evaluation have been not only the regular Library tools for such a work, but also the needs and the ideas of the people of Stoneham.

Late in the year, one of our biggest activities was started. I have long felt that Library School cooperation was important. The Library, through the Children's Department, has been sending books to the schools for some years now. With the coming of Dr. Michael Scarpitto, new Superintendent of Schools, this co-operation has grown to considerable proportions. Dr. Scarpitto brought forth his "Reading for Pleasure," and I was asked to serve on the committee to put this operation into immediate and effective programming. And though it has at times taxed our resources to the limit, it has given the Library more of an opportunity to take part in the education of the children of

Stoneham. Dr. Scarpitto's work has helped us make the Library even more community minded.

One of the most significant events in the busy year was the formation of the "Friends of the Stoneham Public Library" group. Formed in September with eight people, it now numbers nearly 150. This is a remarkable growth for any organization. The membership is composed of people who are interested in the Library, and what it can offer to the community. The Friends have as their goal, as stated in their constitution, "To foster and stimulate interest in the community of the needs and the services of the Stoneham Public Library. To enrich the cultural life of the community."

With these goals in mind, the Friends went directly to work. In December, aided by the efforts of the Librarian, they had the world famous Jazz critic, Father Norman I. O'Connor, CSP, for an evening. Father O'Connor talked through a great range of subjects and discussed the problems of jazz, not only in the music but in the life of the men who write and play the music.

Fresh from this successful evening, two nights later, the first meeting of the Great Books Discussion group was held in Library Hall. The Great Books Discussion series is designed around a series of readings from the best works the mind of man has produced. And to show that these works are not lifeless and dead, each is used for the basis of a discussion. An eternal problem of man is brought up in each of the works. The motto of the Great Books is "Learn to Listen, and Listen to Learn." Many people had asked about the possibility of such a series, and it was put into effect, thus showing again that the wishes of the people are utmost in the minds of those who are connected with the Library.

In the new year, to get ahead of ourselves for a moment, the Friends have several activities planned. Late in January, their first art exhibit is going on display in Library Hall. The former "Home Front Chorus" is being rejuvenated as a civic choral group and a Spring concert is planned. The most valuable fact of all the Friends' activities is the way in which they are making more people aware of the Library and its possible use to the community.

The Library has been the meeting place of many organizations throughout the year 1957. The Woman's Club of Stoneham, the Garden Club, the Stoneham Community Council, of which the Library is a participating member, the Visiting Nurse Association, Girl Scout and Boy Scout leaders, the Stoneham Historical Society, the United Parent Council, the Stone-

ham Auxiliary Police, the League of Women Voters, the Friends of the Stoneham Public Library, the United Fund, the Catholic Women's Club, the Stoneham Home Front Trustees, the Stoneham Ski Club, and other groups and organizations have used Library Hall at varying times throughout the year 1957.

The Librarian's Activities

As Librarian of the Town of Stoneham, my activities have been many and varied. Besides my duties as administrator, there have been many tasks outside of the Library.

The first of these duties was my speaking engagements, at many meetings throughout the year. Some of these appearances were before the Stoneham High School PTA, and the Stoneham Catholic Women's Club. I have given book reviews to several groups; one of these groups was from the Unitarian Church, another was the International Relations Group and another was the Literary Group, both of the latter from the Stoneham Women's Club. Panel discussions were also a part of my outside engagements; I took part in such discussions at the Baptist Church, and the Colonial Park School. Besides these activities, I have served on the scholarship searching committee for the Senior High PTA, and the "Reading for Pleasure" Committee.

As a member of the Stoneham Community Council, I was asked to serve as Residential Chairman for the United Fund, under the Drive Chairman, Dr. Max J. Klainer. The drive, more than very successful, proved to the Town, I hope, that when we say service here at the Library, we mean service, in all ways. I was ably helped in the Drive by Mr. Charles Wyman, and Mr. Walter Johnson.

The basic idea behind all of these activities was that we want to be of service to all of the community in all ways. That is our job as a library.

Statistics

Statistics are usually dull. Not ours! They are graphic demonstrations of our service to Stoneham. The Adult Department statistics illustrate well the reading of the people of Stoneham. All previous records were broken. In line with predictions made in September, circulation increased nearly 10%, missing that increase by little more than 400 books.

Most significant figure was the record album circulation. In 1956, the Library circulated 1,413 records. In 1957, however, the total more than doubled with the figure reaching to 3,016. This figure can be attributed to many features. First, there is general rise in the popularity of music at this time. But the purchases of records that we have made had a great deal to do with

this figure. Furthermore, the concerts that have been held have also increased the use of our records. Whatever the reasons, we hope to be able to serve more people through making the service of the Library known to more, and letting them know what they can get here.

As for books, 22,183 non-fiction works were circulated. Coupled with 40,605 fiction books taken out, we have a total of 60,205. We registered 680 people; 426 were taking out Library cards for the first time, and 254 were transferred from the Children's Room.

Speaking of the Children's Room, we find the same sort of growth, not only due to Dr. Scarpitto's work, but in the general over-all use of the Room. Miss Golding circulated 12,321 non-fiction works, 41,950 fiction works, giving a total of 54,337, again, nearly a 10% increase over 1956. Five hundred and fifteen children were registered for the first time, and they became a part of the 2,335 children that were registered in the Children's Room. Adding this number to the total of 4,625 adults, we have a total of 6,960 people registered, about 40% of the population of the Town. The total book circulation for both departments was 120,141.

In Miss Golding's active Children's Room, besides the regular duties of her position, she found time to take several Brownie and Girl Scout troops on explanatory tours of the Library. She also found time to do the same with many classes from the Stoneham schools.

A story hour was held from January through June. Due to the great rise in her work, Miss Golding was unable to continue these hours in the latter part of the year. However, plans are being laid so that she may re-open the series in the Spring of 1958.

A Look Into The Future

No report would be complete without a look to the future.

As the Library grows in size and operation, the question of expansion must be brought up. The Town of Stoneham is not of sufficient size to warrant the building of a separate branch. However, as the load increases at the Public Library the problem of space becomes acute.

As 1958 moves on, I look to the completion of our resource survey. This will require more work, and much thought on the part of the staff and the Board of Trustees.

Thanks

My thanks goes to my staff, who have done so much, both to make my ideas workable and successful, and for the

wonderful way they have helped to make the Library a very friendly place.

To the Stoneham Garden Club, my thanks goes for their very pleasant floral decorations throughout the year. We appreciate not only the color they bring to the Library, but the ingenuity they have shown in their work.

My thanks to the Girl Scouts of Stoneham, for the wonderful help they have been to the Library. In aiding the Library as pages, they have given to Stoneham, not only an outstanding community service, but an exemplary concreteness of their ideals.

My thanks to the "Friends", and the friends who are not members of the "Friends", the people and organizations that have made presentations to the Library. The gifts given to the Stoneham Public Library are too numerous to mention. Each one, whether it be a record, a subscription to a magazine, a single book or a set of books is most welcome, not only for itself, but for the fact that it means that someone is more than ordinarily interested in the Library.

My thanks to the Trustees, who have been so patient with me, and who have offered every service to me, my staff, and to the Town.

My thanks to all of the people of Stoneham, who have been so gracious and friendly with a new and untried craftsman. It is for you that we work. We hope that you will avail yourself of the services, and demand even more of us.

Library Statistics According To The American Library Association Form

Name of Library: Stoneham Public Library

City and State: Stoneham, Massachusetts

Name of Librarian: James S. Healey

Date of Founding: 1859

Population: 16,500 (Est.)

Number of Agencies: 1

Number of days open: 293 per year

Hours open each week: 48 - 10 months 40 - 2 months

Number of volumes at beginning of year: 38,676

Number of volumes added by purchase: 2,186

Number of volumes added by gifts: 12

Number of volumes withdrawn: 1,007

Number of books at end of year: 37,868

Circulation of books: 120,141

Number of registered borrowers: 6,960

REMEMBER, THE PUBLIC LIBRARY IS YOURS — USE IT.

Respectfully submitted, James S. Healey, Librarian

REPORT OF THE BOARD OF HEALTH

We herewith submit our Annual Report for the year 1957.

The duly elected members organized on March 26, 1957 as follows:

Frederick F. Mosley, Chairman

John Quimby, Secretary

Harold C. Hurd, Jr., Health Officer and Milk Inspector

The following appointments were made:

Gertrude B. Mortensen, Clerk-Agent

John J. Devine, Collector of Milk Samples and Milk Analyst

Henry Leavitt, M.D., Board of Health Physician

M. A. Kennett, D.V.M., Slaughtering Inspector

Katherine L. Kenny, R.N., Board of Health Nurse

Phyllis D. Lovering, D.H., Dental Hygienist

Edward F. Breagy, D.M.D., Honorary Member of Board of Health and advisor to dental hygienist

At the Annual Town Meeting in 1957, this board had an article in the warrant, seeking permission to make appointments from its own membership to certain positions. You were kind enough to vote your approval and as a result, we had excellent cooperation and have met with success throughout the entire year.

Our Polio Program whereby we distributed free Polio Vaccine has now ended. We had Polio Vaccine for over 6,000 persons, of whom approximately 2,400 went to their own physicians, leaving a balance of about 3,600 inoculated at our clinics and in the schools. For further information on this program, kindly read the nurses' reports. During the latter part of 1957, Miss Katherine Kenny was on for three days a week and Mrs. Dorcas Berry for two days a week. We feel fortunate in having two such excellent nurses to carry on this important phase of our work.

The entire town had one complete spray for insects and other pests last summer. This program was successful and we intend to proceed again this year, possibly with two complete sprayings, dependent on the weather.

In the fall we engaged the services of a rat exterminating company. They made an extensive survey of the town and found much infestation. All sections were taken care of that had been reported to our office. It is our intention to have this work done again in 1958 and we would appreciate hearing from the townspeople when and if they notice rats in their vicinity.

We feel that Mr. Berg, our garbage contractor, has done an

excellent job as usual this past year, considering the heavy storms we have had. We wish to bring this notice to your attention at this time. Garbage containers must be in accessible locations at all times to insure good collections, particularly during the winter months. Paths must be shoveled out from the street to the containers. Occasionally the householders do not clear off the accumulation of snow from the entire top of the underground containers; also quite often the inserts of these containers become frozen at the bottom, making it impossible for them to be lifted out until thawed, although the covers will lift easily, if not frozen also. We would appreciate your cooperation.

During 1957, Mr. John J. Devine collected and analyzed 144 samples of milk and cream and 27 samples of Ice Cream. He has also been of great assistance to us on several occasions on other health matters.

We trust you will read carefully Mrs. Phyllis Lovering's report for 1957 on the Dental Program, particularly that portion which has reference to the Forsyth Dental Infirmary and Dr John E. Drugan. We are most anxious to re-engage him for 1958 if the appropriation is granted, as there is certainly a great need in our program for him.

Your Board of Health office is open Mondays through Fridays during the hours of 9-12 and 1-4:45 daily except Saturdays. Our clerk-agent, Mrs. Gertrude Mortensen, is there during those hours to answer your questions pertaining to Public Health.

For further details concerning the work of this office, kindly refer to the following reports.

Respectfully submitted,
 FREDERICK F. MOSLEY, Chairman
 JOHN QUIMBY, Secretary
 HAROLD C. HURD, JR.
 Stoneham Board of Health

Communicable Disease Report

The following cases have been reported:

	1953	1954	1955	1956	1957
Chicken Pox	218	46	79	57	134
Dephtheria	0	0	0	0	0
Dog Bites	71	76	93	87	65
German Measles	20	8	1	31	3
Malaria	0	0	0	0	0
Measles	5	72	287	15	15
Meningitis	1	1	1	0	0
Mumps	12	75	85	13	145
Poliomyelitis	1	1	11	0	0

Scarlet Fever	4	20	20	36	23
Tuberculosis	3	5	7	4	0
Whooping Cough	7	2	8	14	4

All cases of Communicable Diseases should be reported to the Board of Health Office, either by the School Department, the family physician or some member of the patient's family.

Two clinics were conducted in May for the inoculation of dogs against rabies, when 258 dogs were vaccinated by M. A. Kennett, D.V.M.

The following licenses were issued during the year:

Milk:

Wholesale	30
Retail	46
Pasteurization	3
Oleomargarine	18
Frozen Desserts	3
Cesspools and Septic Tanks	82
Methyl Alcohol	33
Kindergarten	8
Keeping of poultry	2
Scout Camps	3
Motel	1
Bottling	1

Total cash turned in to Town Treasurer on the above permits, Dog Clinics, and Tuberculosis Subsidies — \$739.36.

233 Burial Permits were issued to Stoneham and out-of-town Funeral Directors, upon presentation of death certificates properly completed.

There have been approximately 3,300 biological items issued by this office to the Stoneham physicians and the New England Sanitarium and Hospital in addition to the Polio Vaccine.

Respectfully submitted,

GERTRUDE B. MORTENSEN

Clerk-Agent

Report of Dental Hygienist

The following report is submitted for the year ending in December, 1957:

* Total number of examinations	1266
Total number under treatment	638
Total number without defects	331
Total number of defects	437
Total number of notices sent home	128
Total number taken to Forsyth for cleanings	602
Total number taken to Forsyth for fillings	396

Total number taken to Forsyth for extractions	32
Total number taken to Forsyth on special appointment	7
Total number taken to Forsyth for orthodontia	1
Total number taken to Forsyth for nutrition	1
Total number taken to Forsyth for bio-chem	1
Total number of cleanings done in Dental Clinic	109
Total number of children done by Dr. John Drugan from Oct. thru Dec.	113
Dr. Drugan's work consisted of the following:	
Number of amalgam fillings	70
Number of zinc oxide treatments	29
Number of copper cement fillings	25
Number of novocain injections	18
Number of extractions	5
Number of penicillin prescriptions	1
Number of sutures	1

*Assisting Dr. Drugan at the chair and the transportation of children to and from the Dental Clinic cancelled any examinations in the schools from October through December.

The Dental Hygienist participates in carrying out the following functions:

1. Examination of each school child from Grade 1 through 6.
2. Charting each mouth, noting all fillings, cavities and defects.
3. Filing all charts in Dental Clinic.
4. Acquainting each child with their own particular dental needs such as daily dental care and regular dental visits.
5. Notifying parents when excessive cavities are present.
6. Conferring with parents in the home relative to dental work or care.
7. Interpreting to parents, teachers and pupils findings of dental examinations and assisting in arranging for correction when possible.
8. Taking children to Forsyth Dental Infirmary for fillings, extractions, bio-chem, orthodontia and prophylactic treatments.
9. Giving oral prophylactic treatments to children in the Dental Clinic when requested.
10. Helping to promote good health, appearance and acceptability through regular dental visits.
11. Keeping accurate record of daily work, financial transactions and appointments.
12. Assisting the dentist in the Dental Clinic at the chair and transporting the children to and from the Dental Clinic.

The past year has brought some very important changes in the dental program. As of September 1957, Stoneham school

children have been eliminated from the Forsyth Dental Infirmary program for cleanings. Forsyth is undertaking an extensive research schedule, which they feel is more important than actual dental work. Consequently it became necessary to find some means of taking care of the youngsters who had previously gone to Forsyth. Dr. John Drugan of Wakefield was hired on a temporary basis pending an appropriation by the town for a permanent appointment. He started in October two mornings a week and proved very satisfactory both to the children and the Board of Health.

Respectfully submitted
 PHYLLIS D. LOVERING
 Dental Hygienist

Report of Health Inspector

The following inspections for cleanliness and sanitary conditions were made during 1957.

Total calls on:

Restaurants	150
Drug Stores	75
Ice Cream Manufacturers	30
Bakeries	36
Groceries and Variety Stores	200
Bottling Concerns	2
Candy Manufacturers	10
Home for Aged People	4
Hospital	2
Nursing Homes	10
Girl Scout Camps	3
Motels	4
Swimming Pool	8
Kindergartens and Nursery Schools	10
Gas Stations for Alcohol Licenses and Toilet Cleanliness	120
Installations of Cesspools and Septic Tanks	84

I also have received and investigated 425 complaints of cesspools and septic tanks overflowing; the keeping of rabbits, horses and chickens in restricted areas; odors from factories, brooks, drains, oils, etc.; Smoke and soot nuisance from factories and burning of trash and garbage; blocking of brooks or natural waterways; rat menaces; unsanitary conditions in public places and homes; flood conditions; and garbage complaints.

I have also worked with the State in tracing down odors coming from the surrounding towns into Stoneham; also with the men from Airborne Sprayers on mosquito control and with men from Safety Fumigant Company on rat control.

On several occasions I have been accompanied by the Fire Chief, Acting Fire Chief, Building Inspector, Plumbing Inspector, State Public Health Officials, Board Members, Milk Analyst, State Division of Smoke Inspection, Public Works Superintendent, Chief Inspector from the State Food and Drugs Division, on health problems. I also have received full cooperation from the Department of Public Works, Police and Fire Departments.

In conclusion, I wish to thank the Board of Health Clerk, the nurses, doctor, board members and other town officials who have aided me in the past year, and also the townspeople for their fine cooperation.

Respectfully submitted
HAROLD C. HURD, JR.
Health Inspector

STATE AUDIT REPORT
October 1, 1954 to September 30, 1956

May 13, 1957

To the Board of Selectmen

Mr. Fred A. Schneider, Chairman
Stoneham, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Stoneham for the period from October 1, 1954 to September 30, 1956, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,
HERMAN B. DINE
Director of Accounts

Mr. Herman B. Dine
Director of Accounts
Department of Corporations and Taxation
State House, Boston
Sir:

As directed by you, I have made an audit of the books and accounts of the town of Stoneham for the period from October 1, 1954, the date of the previous examination, to September 30, 1956, the following report being submitted thereon:

The records of financial transactions of the several departments receiving or disbursing money for the Town or committing bills for collection were examined, checked, and verified by comparison with the records of the town accountant.

The books and accounts in the office of the town accountant were examined and checked in detail. The general and appropriation ledger accounts were analyzed and proved, the recorded receipts were checked with the treasurer's books, while the recorded payments were compared with the treasurer's cash book and with the treasury warrants.

The appropriations and loan authorizations, as entered, were checked with the town clerk's records of town meeting proceedings, the necessary adjustments resulting from the audit were made, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the Town on September 30, 1956.

The books and accounts of the town treasurer were examined and checked in detail. The cash book footings were proved, and the recorded receipts were compared with the town accountant's books, with the records of the departments making payments to the treasurer, and with other sources from which money was paid to the town. The payments as recorded were checked with the warrants signed by the selectmen authorizing the treasurer to disburse town funds and with the town accountant's records.

The cash balance on September 30, 1956 was proved by reconciliation of the bank balances with statements furnished by the banks of deposit and by actual count of the cash in the office.

The recorded payments on account of maturing debt and interest were proved with the amounts falling due and checked with the cancelled securities on file. The outstanding coupons on September 30, 1956 were listed and reconciled with a statement furnished by the bank at which the debt and interest are payable.

The records of payroll deductions for Federal taxes, Blue Cross and Blue Shield, and group life insurance were examined, checked, and reconciled with the controlling accounts in the ledger and with the cash balances in the general treasury.

The savings bank books and securities representing the investments of the trust and investment funds in the custody of the town treasurer and trustees, as well as the retirement funds in the custody of the town treasurer, and the retirement board, were examined and checked. The income was proved, the amounts transferred to the town were checked with the treasurer's recorded receipts, and all transactions were verified and compared with the records of the town accountant and, in the case of the retirement funds, with the records of the contributory retirement board.

The records of tax titles and tax possessions held by the

town were examined and checked in detail. The taxes and assessments transferred to the tax title account were compared with the collector's books, and the recorded redemptions of tax titles and sales of tax possessions were checked with the treasurer's cash book. The tax titles and tax possessions on hand September 30, 1956 were listed, reconciled with the respective ledger accounts, and checked with the records at the Registry of Deeds.

The books and accounts of the town collector were examined and checked in detail. The taxes, motor vehicle and trailer excise, special assessments, departmental accounts receivable, and water accounts outstanding according to the previous examination, as well as all subsequent commitments, were audited and proved. The collector's cash books were footed, and the recorded collections were compared with the payments to the treasurer as shown on the treasurer's and the accountant's books. The recorded abatements were checked with the assessors' and other departmental records of abatements granted, while the taxes and assessments transferred to the tax title account were proved with the records of tax titles held by the town.

The outstanding tax, motor vehicle and trailer excise, special assessment, departmental, and water accounts were listed and reconciled with the town accountant's ledger accounts. Verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received thereto it appears that the accounts, as listed, are correct.

The record of abatements granted by the board of assessors were listed and checked with the books of the collector and the town accountant, while the warrants to the collector were compared with the detailed commitments.

The records of deferred sewer, sidewalk, and street betterment assessments were examined, the payments in advance were checked with the treasurer's recorded receipts, the amounts added to taxes were verified, and the apportionments due in future years were listed and proved.

The records of guarantee deposits for the sewer, highway, school, and water departments were examined and checked. The transfers to the town to cover the cost of work done or for school deposits forfeited were verified, the refunds were proved, and the deposits on hand September 30, 1956 were listed and reconciled with the respective controls in the town accountant's ledger.

The financial records of the town clerk were examined and checked in detail. The recorded receipts on account of marriage

permits, recording fees, and miscellaneous charges were checked, while the payments to the treasurer were verified by comparison with the treasurer's recorded receipts.

The records of dog licenses issued on behalf of the county and of sporting licenses issued for the State were examined and checked with the duplicates and stubs on file, the payments to the town treasurer and to the State being verified.

The town clerk's cash balance on September 30, 1956 was proved by actual count of the cash in the office and by reconciliation of the bank balance with a statement furnished by the bank of deposit.

The surety bonds of the town officials required by law to furnish them for the faithful performance of their duties were examined and found to be in proper form.

The records of licenses and permits issued by the selectmen, as well as by the police, building, and health departments, were examined and checked. The recorded collections were compared with the payments to the treasurer as shown on the treasurer's books, and the cash on hand was verified.

The records of the sealer of weights and measures were checked in detail. The charges for sealing and adjusting weights and measures, as recorded in the field books, were checked with the office book, the office book was footed, and the payment to the treasurer were verified.

The books and accounts of the school department were examined and checked. The recorded receipts for tuition, lost books, manual training, and treasurer were verified.

The records of the lunch program, as kept by the high and elementary schools, were examined and checked. The cash books were footed, the Federal and State reimbursements were verified, the payments to the treasurer were checked with the treasurer's recorded receipts, and the cash on hand was verified.

The records of the high school athletic program were examined and checked in detail. A listing was made of all admission tickets purchased during the period of the audit and this was checked with the recorded receipts in the cash book and with the tickets on hand on September 30, 1956. The cash book footed and the payments to the treasurer were verified.

The receipts of the library department for fines and book rentals were examined and checked. The cash book was added, and the payments to the treasurer and the cash on hand were verified.

The books and accountants of the cemetery department were examined and checked. The records of receipts from sales of lots and graves, bequests, opening graves, grave liners, founda-

tions, etc., were checked ,and the payments to the treasurer were verified by comparison with the treasurer's and the town accountant's books.

In addition to the departments mentioned, the records of all other departments collecting money for the town were examined and checked.

There are appended to this report, in addition to the balance sheet, tables showing reconciliations of the treasurer's and the town clerk's cash, summaries of the tax, motor vehicle and trailer excise, special assessment, tax title, departmental, and water accounts, as well as schedules showing the condition and transactions of the trust, investment, and retirement funds.

While engaged in making the audit cooperation was received from all town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,
WILLIAM SCHWARTZ
Assistant Director of Accounts

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Stoneham:

We are submitting to you the sixty-seventh annual report of the Superintendent of Public Schools to your School Committee.

The School Committee is still facing the problem of increased enrollment with housing stretched to the very limit. The 1957 school year showed a total school population of 2722 as of October 1, an increase of 100 over the 1956 October 1 enrollment. At this moment all available space that can be devoted to classroom purposes is in use. The auditoriums in both the North and Robin Hood Schools have been converted into classrooms. This conversion has curtailed the use of these auditoriums for all assembly and indoor physical education purposes, as well as their use by the citizens living in those areas. Two basements have also been turned into classrooms. It has been found necessary to transport the sixth grade daily from the Emerson School to the Colonial Park School, thereby using up the last available classroom in the elementary schools.

The Junior High School Renovation Committee has completed Step I of the renovations plan which has eliminated the hazards in this, our oldest building. Although we are greatly pleased with the efforts of this committee, we cannot help bemoaning the fact that the program of these teen-agers has had to be cut back in shop, home economics, and physical education. It is to be hoped that the townspeople will be on the alert to the need of further improvements so that the School Committee can fulfill its obligations to the students, parents, and the community.

The voters at a town meeting turned down the recommendation of the Elementary School Survey Committee. The voters did, however, increase the size of the committee and empowered it to make a complete over-all survey of the school housing needs for Stoneham students. We await with great interest the recommendation of this committee at next year's town meeting.

Your School Committee was faced in the month of July with the resignation of Mr. C. Newton Heath as Superintendent of Schools to accept the position of Superintendent of the new Lincoln-Sudbury Regional High School. This necessitated a search for his successor. The committee reviewed thirty-four applications and interviewed sixteen of the candidates. Dr. Michael Scarpitto was its unanimous choice.

The Committee for the first time in many years found that its salary schedule was below the median for towns of

comparable size. This may or may not have been the underlying cause for a 22% turnover in the teaching staff. The School Committee has now set up a new salary schedule that will put our school system on a competitive basis.

The School Committee's gross budget request for 1958 is \$825,957.64. The total receipts due Stoneham from State Aid and from other sources for all school purposes will be \$131,572.49. This figure, deducted from the gross budget request, leaves a net amount of \$694,385.15, or a net cost over last year of \$71,276.05.

The members of the School Committee wish to thank the parent-teacher associations, the school councils, the building and survey committees, the faculty and administrative staff, and also the many citizens interested in better education for their loyal support and co-operation during the past year.

KATHRYN B. ENGLISH,

Chairman

DAVID C. WHITEHOUSE,

Vice Chairman

ELSIE F. MACKAY

JOHN E. O'DOHERTY

EARLE T. THIBODEAU

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee:

My first report to you as Superintendent of Schools is based partly on my observation and study of the Stoneham schools since my arrival in October and partly on reports submitted to me by my co-workers, i.e., principals, supervisors, and heads of departments.

Philosophy

Imbued with a strong conviction like Diogenes that "The foundation of every state is the education of its youth," we are emphasizing above everything the academic and intellectual growth of our pupils to the full capacity of each pupil. We have implemented this philosophy by several innovations which will be permanent parts of our program. The innovations which are operating very successfully are: (1) The Stoneham Reading for Pleasure Program which attempts to encourage, induce, and motivate every child to read books for pleasure and keep a record of the reading; (2) After-school classes in French for

selected elementary school pupils in grades three and four; and, (3) Advanced arithmetic classes for selected pupils in the sixth grade.

Staff

Our new salary schedule should be an important factor in the retention of capable teachers. Our teacher turn-over was 22 per cent in the last year. We have already started an intensive recruitment campaign for new teachers to meet our needs. Already we have evidence that our salary schedule and our program are attracting some excellent teaching prospects.

Our 1958 budget provides for the addition of two elementary grade teachers.

An additional clerk was added in the High School. Part of her duties include assisting the supervisor of the cafeteria and the guidance staff in their clerical work. The rest of her time is devoted to the clerical duties in the High School.

Senior High School

Our excellent school facilities are enabling us to continue to improve our program.

Questions will be raised about offerings in mathematics and science since so much publicity followed Sputnik. It is a satisfaction to know that we have had an increasing emphasis on these subjects even before so much publicity. Our greatest problem is to convince parents that pupils must have ability before they can be prepared for advanced classes in mathematics and science and for subsequent college training in science and engineering. It cannot be over-emphasized that extensive homework must be done daily by the pupils who plan to enter our leading colleges.

The growing emphasis on science and mathematics in the secondary schools and colleges finds us keeping pace with demands. We are providing a full program in these areas and have planned for special work with the more able pupils to extend and accelerate their work.

It will be recalled that we began a revision of curricula last year and have continued to study offerings under the direction of department heads. We now have two classes in physics and four in chemistry.

More of our seniors are taking college board examinations to satisfy the demands of colleges for admission and to qualify for scholarships. Our juniors are now participating in this program more than ever before with earlier planning for the future.

In keeping with our studies of curriculum, we have emphasized this year the composition work in English. Teachers of English have been given reduced loads with the understanding

that we must increase the amount and quality of written English instruction.

The introduction of midyear and final examination programs has resulted in more serious application by pupils and provides better evaluation of the work of pupils and teaching procedures.

We believe that our curricula are providing good training for those pupils who do not go on to school beyond high school as well as for those going on for further education. All pupils have been greatly helped by the guidance department. This department is working very closely with our high school administrators and staff in preparing our pupils in their numerous problems all the way from selection of courses to entrance to college or finding a position.

We are very proud to report that forty-one per cent out of 155 members of the class of 1957 are continuing their education in universities, colleges, or other schools beyond high school. Among the numerous colleges attended by our June graduates are Amherst College, Bates, Boston College, Boston University, Colby College, Michigan State, San Diego State College, University of Florida, University of Maine, University of Massachusetts, University of Missouri, Williams College, and Worcester Polytechnic Institute. One was accepted at Harvard, went to Williams College instead. Another was accepted at M.I.T. but went to Tufts.

Junior High School

The Junior High School continues to become a separate unit. As facilities are gradually added, a complete junior high program will develop.

The renovation work included in the first phase has been completed. Eight classrooms were painted and two floor sections were tiled. Numerous other repairs and alterations were made.

Two Work Bees were held to remove toilets and showers and to paint three basement rooms to prepare them for school use. Parents, citizens, and staff members donated their time.

It is hoped that each year the School Committee will allot some funds to continue to improve this building instead of obtaining large sums periodically.

Among the numerous projects or activities carried on in the Junior High School were the Junior High Road Race, publication of the "Nucleus" and the "Photorama," Second Annual Basketball Tournament, Girls' Softball Tournament, Junior High Library Club, and the Orientation Program for Sixth Graders.

The main activity at the Junior High School was an intellectual one. The pupils, grouped homogeneously according to ability, were worked to full capacity. Important facets of this program were increased emphasis on science, mathematics, and English. The very successful Junior High School Science Fair was an excellent stimulant. The "Nucleus" published creative writing by the students.

We are proud to report that one of our teachers, Mr. Matarese, attended Tufts University Summer Session on a National Science Foundation Fellowship.

Report of the Supervisor of Elementary Education

The need for a more effective language arts program engaged the professional interest of the elementary staff during the past school year.

Two general staff meetings, one on the primary level and one on the intermediate level, resulted in the organization of six grade-level committees for consideration of the revision of our elementary language activities. Each committee met at intervals during the school year and chose one area for revision. A general committee meeting in May, including the Head of the English Department of the Junior-Senior High Schools, was held to summarize the work of all grade levels during the year.

In the language arts program, certain underlying principles guided the in-service work of all committees engaged in the revision of the program in language arts. These principles were:

- 1 Language teaching involves a daylong activity.
- 2 A language program is based upon the interests and experience of children.
- 3 The program should take account of language needs in other subjects.
- 4 Language skills are learned more readily when pupils feel a real need for their development.
- 5 Child growth and development determines the need for specific needs at different age and grade levels.
- 6 There should be provision for individual differences.
- 7 The child should acquire the ability to appraise his own work.
- 8 The program should include four areas of language activities.
 - a Listening
 - b Reading
 - c Written expression
 - d Oral expression

In each grade, one area of the program was given careful consideration and a tentative plan for improvement of instruction in this respect was set up. It is hoped that the elementary staff will be able to complete the revision of the language program this year.

The orientation program for first grade pupils was extended to include all elementary schools this spring. New first grade pupils spent a morning in June becoming acquainted with their classrooms and engaging in typical first grade activities. While the children were enjoying a taste of school life, their parents met with the guidance director, the school nurse, and the elementary supervisor for an explanation of their respective programs. Parents received a Parent's Guide to help them prepare their children for a happy and successful school year. This orientation program was warmly received by parents and children and its value proven in the opening days of school this fall.

Guidance Services

Since its inception, the guidance department has attempted to accomplish its purpose by offering services to students, teachers, administrators, and parents. Our program is organized to acquire the maximum service with the use of minimum personnel.

The current testing program was revised to develop a continuing twelve-year plan under one director. The 1956 edition of the Iowa Test of Basic Skills was introduced to replace an earlier form of the same test. All pupils in grades three through nine are given this achievement battery. Intelligence tests are given in grades one, three, and six and an extensive battery of tests is given in grade eleven. An organized program of the co-operative tests of achievement in the senior high school was accomplished in the spring in most academic subjects.

The inception of guidance classes in grade ten has added a segment to the program which allows for better pupil adjustment to school, community, and life. Our grade eight program was also increased from one period to two periods per week.

Counseling services have also been introduced for elementary pupils and parents. Due to limited personnel, however, this area has been restricted to maladjustment cases.

The program of orientation of all prospective first grade children was expanded to include all schools. This program is a co-operative venture of the Guidance Director, the Supervisor of Elementary Education, and the school health staff.

We hope to complete a follow-up study and do a research study on comparative test scores within the Stoneham school system.

A study made in the late fall indicates that our rate of student entrances into programs of further education is increasing.

Health

The Stoneham Public Schools, ever alert to the health needs of our pupils, has continued to expand its program.

Hearing tests were given to 4,527 children, annual tests being given in the spring of 1957 and again in the fall of 1957. Seventy-two notices were sent to parents, and 24 of these referrals received medical attention. While 2,398 vision tests and re-tests were given, 64 notices were sent home and 41 pupils received medical attention.

Dr. Henry Leavitt, school doctor, examined 1,156 children for routine physical examinations and notices of abnormalities were sent to 240 parents.

Immunization: The immunization program is a collaborated service with the Stoneham Board of Health. Over 90% of the school children have had three polio shots in the schools, and the remainder have, for the most part, had the immunization at their family physician's. About 1% refused any form of immunization. The school nurses aided with the programs set up by the Board of Health nurse for the parochial school and the pre-school children.

Parents of children entering school in September, 1957, were urged to have their children have booster shots for tetanus, whooping cough, and diptheria. Many received the booster at the Board of Health clinic in June, while 94 received them at the October and November clinics.

On October 24 and 31, 107 teachers and school staff received the flu shots administered by the school doctor. Nearly 100% have received the vaccine either by their own doctor or at these clinics.

Other activities carried on by the School Health Department are a consultant service to school groups, distribution of health materials, formation of School Health Advisory Council, sponsorship of a course for teachers in School Health, and some in-service training.

Art

Art activities meet many needs of our Stoneham school children in their development and growth, such as the urge to create, to achieve, to belong, and to gain in skills for in so doing they become more understanding, observant, and confident contributors to all school activities. They gain more respect for the works of others leading to happier, more democratic living.

All areas of education are based upon individual differences, but it is, and should be, most evident in the field of Art. We plan Art expressions on all levels of experience.

In the elementary schools we are helping our youth to develop creatively in a well-rounded Art program. We look for and are glad to find pupil Art work being used throughout all of the school buildings in town, for everyone to enjoy.

In the Junior High School this year, a very large majority of seventh and eighth grade students are taking Art, applying their best efforts to experimenting with new media in the study of color, design, illustration, projects, and lettering. They try out various forms of crafts and observe reproductions of famous paintings and handwork.

Through the use of visual aids in all areas, we learn from the Art of the past and present and discuss good design, colors, and compositions. We learn from the past, but we try to portray our own deep feelings and impressions.

We believe that Art is indispensable to a happy well-rounded way of life and contributes much to all areas of education.

Physical Education and Athletics

As integrated parts of the total system of education, the Department of Physical Education and Athletics attempts to help the student develop the physical aspects of a sound personality as it relates to his eventual place in society.

Some of the factors which make this achievement a reality, but are presently lacking in the Stoneham schools, merit serious consideration. Chief among our needs is the rapidly dwindling play space in the elementary schools in which auditoriums must be used to provide classroom space not otherwise available. Also among our needs is the controlled after-school play-athletic activity which is the basis for our secondary competitive athletic program. This needs both staff and adequate area, neither of which is available at present except to a negligible degree.

It is a matter of record now that the long desired program in track and field must be shelved because of the inadequate space at Recreation Park, as surveyed by the Recreation Committee of the Board of Public Works. A track installation at the Park would so drastically affect the baseball diamond, football field, and hockey rink as to make it prohibitive, even with the addition of railroad property adjacent to the southwest corner of the field.

A program of intramural activity is currently in operation at the Junior High School for three seasons. A moderate activity for the elementary schools in tag football was installed last

ball. Some limited work in basketball for the elementary grades was carried on in the high school gym on Saturday morning by volunteer supervisors, but this did not offer a full sixth grade game schedule.

The program in Physical Education on the secondary level is broad and fairly comprehensive. The elementary program is correlated with, and focused on, the secondary level.

Future Plans

I would like to call to your attention the need for:

- 1 More classroom space.
- 2 Establishment of a hot lunch program for our elementary school children.
- 3 Truck for school department use.

Our program should provide:

- 1 Exploratory work in shop and home economics for junior high pupils.
- 2 Revision of plans necessary to our home economics for Federal Aid under the Dean Act.
- 3 Inclusion of public school kindergartens.

Our future plans should include:

- 1 Expansion of our adult education program both in vocational and academic courses.
- 2 Employment of full time supervising principals working two schools each.
- 3 Revision of Policies and Practices of the School Committee,
- 4 Continuance of survey of school building needs.

Conclusion

The Superintendent as educational leader of the schools cannot function effectively unless he has the co-operation of many groups, i.e., School Committee, staff, pupils, parents and citizens. I wish to extend my sincere thanks to these groups. I especially wish to thank specific groups such as the School Committee, the Colonial Park School Building Committee, the Junior High School Renovation Committee, the Executive Committee of School Councils, the individual school councils, the Parent-Teacher Associations, and the Trustees of the Stoneham Public Library. Special thanks are due to the teaching staff so well directed by capable principals and supervisors. The support and co-operation of the staff is greatly appreciated.

MICHAEL SCARPITTO, Ph.D.
Superintendent of Schools

REPORT OF SUPERVISOR OF ATTENDANCE

The number of truancy cases has continued its downward trend. This is due in no small measure to the diligent efforts of the principals and other members of our staff who are directly connected with pupil control. Forty-eight cases were reported for investigation and the majority was of a minor nature.

Michael Scarpitto, Ph.D.

Acting Supervisor of Attendance.

	<hr/>

Difference \$573.33 more*

*Due primarily to television program expenses which all schools in Massachusetts have been asked to include in their budgets.

II OPERATION

SALARIES: \$54,550.00

1958 budget request	\$54,550.00
1957 School Com. request	\$52,200.00
Add. amt. voted by	
Town which is to be	
returned	2,250.00
	<hr/>
	54,450.00
	<hr/>

Difference \$100.00 more*

*The total increments to be given custodians for the school year 1958-59 which affect the 1958 budget amount to \$1,400.00. If the difference is based between the 1958 budget request and the 1957 request of the School Committee, the difference would be \$2,350.00; however, if the total amount appropriated for 1957 is considered, (including the \$2,250.00 which will be returned to the Town), the difference is only \$100.00.

FUEL: \$22,937.00

1958 budget request	\$22,937.00
1957 appropriation	22,261.00
	<hr/>

Difference \$676.00 more*

*Due to increased use of school facilities by non-school organizations.

MISCELLANEOUS:

Electricity	\$11,825.00	
Gas	820.00	
Telephones	2,476.50	
Water	975.00	
Miscellaneous (Including towels, toilet paper, waxes, etc.)	4,400.00	
Travel for Itinerant Custodian	150.00	
		<hr/>
		\$20,646.50
1958 budget request	\$20,646.50	
1957 appropriation	19,793.00	
		<hr/>

Difference \$853.50 more*

*Due primarily to increased use of buildings by non-school organizations, additional telephones, and installation of automatic gas heater in Junior High School.

III MAINTENANCE

SALARIES: \$5,700.00

1957 appropriation	\$7,933.40
1958 budget request	5,700.00

Difference \$2,233.40 less*

*In the 1957 budget, provisions were made for the salary, for half a year, of the maintenance supervisor who was to retire in June, and also for the salary of the new maintenance supervisor who was employed to work with the retiring supervisor before he left. The 1958 budget includes an amount for the present supervisor of maintenance only, and also \$600.00 for the salaries of men to be employed for the care of school grounds.

REPAIRS, REPLACEMENT, and UPKEEP:

Replacement of elementary instructional equipment	\$798.00
Repairs to elementary instructional equipment	50.00
Replacement of Jr. High School instructional equipment	1,774.72
Repairs of Jr. High School instructional equipment	100.00
Replacement of Sr. High School instructional equipment including trade-in of typewriters	2,325.00*

Repairs to Sr. High School instructional equipment	350.00	
Replacement of Music Dept. instructional equipment	690.00	
Replacement of Physical Education Dept. instructional equip.	130.50	
Cleaning of Athletic Dept. equip.	1,065.00	
Replacement, upkeep, and maintenance of all school plants	14,258.00	
Travel expense of Maintenance Supervisor	210.00	
Replacement and repairs of Cafeteria equipment	336.30	
		<hr/>
		\$22,087.52
1958 budget request	\$22,087.52	
1957 appropriation	19,314.00	
		<hr/>
Difference	\$2,773.52 more*	

*Due primarily to the fact that the typewriter exchange account was transferred from the special supply account to this, the replacement account.

IV AUXILIARY AGENCIES

Printing	650.00	
Driver training	450.00	
In-service activities	700.00	
Other expenses (dues, etc.)	50.00	
		<hr/>
		\$10,128.42
1957 appropriation	\$10,197.00	
1958 Budget request	10,128.42	
		<hr/>
Difference	\$68.58 less	

V OUTLAY**NEW EQUIPMENT:**

North School	\$221.40	
South School	0.00 (1)	
East School	128.80	
Emerson School	196.60	
Robin Hood School	152.15	
Colonial Park School	99.01	
Special Class	90.00	
Elementary Supervisor	800.00*	
Junior High School	703.42†	
Senior High School	1,022.29†	
Art Department	56.25	
Music Department	1,007.78†	
Guidance Department	34.80	
Maintenance Department	4,061.11	
Physical Education Department	764.10†	
Health Division	367.21	
Administration	580.50	
		<hr/>
Total exclusive of Cafeteria	\$10,285.42	
Cafeteria	\$ 862.40	\$11,147.82

†This represents a combination of small items, none of which is \$500.00 or over.

1958 budget request	\$11,147.82
1957 appropriation	\$ 9,345.00

Difference	\$1,802.82 more*
------------------	------------------

*Due primarily to the opening of extra classrooms.

- (1) Requirements for the South School this year come under replacement of equipment — maintenance account.

SPECIAL APPROPRIATIONS:

Americanization:		\$900.00
1958 budget request	\$900.00	
1957 appropriation	900.00	
	<hr/>	
Difference	\$ 0.00	

Police Service at Athletic Contests:		\$360.00
1958 budget request	\$360.00	
1957 appropriation	330.00	
	<hr/>	
Difference	\$ 30.00 more*	

*Due to increased salaries for police officers.

Trade Schools:		\$4,000.00
1958 budget request	\$4,000.00*	
1957 appropriation	4,000.00	
	<hr/>	
Difference	\$ 0.00	

*We are required by law to provide this type of education for all local citizens. This is an amount that cannot be estimated accurately because whenever someone wants to go to a vocational school, we must pay his tuition, and if the person goes to a day vocational school, we must pay his carfare also.

Custodial Service Salaries:		\$2,500.00
1958 budget request	\$2,500.00	
1957 appropriation	2,500.00	
	<hr/>	
Difference	\$ 0.00	

Out-of-State Travel:		\$1,400.00
1958 budget request	\$1,400.00	
1957 appropriation	1,400.00	
	<hr/>	
Difference	\$ 0.00	

Military Service Retirement Fund:		\$72.00
-----------------------------------	--	---------

STONEHAM HIGH SCHOOL
GRADUATION EXERCISES — CLASS OF 1957

Town Hall, Stoneham, Massachusetts

Wednesday Evening, June Fifth

At Eight-Fifteen O'Clock

PROGRAM

Entrance of Graduates — War March of the Priests
(from Athalia) **Mendelssohn**
High School Orchestra
Rolland Tapley, Conductor

(The audience will remain seated as the graduates enter the hall)
Class Marshals
Robert Flahive, Class of 1958
Susan Macbeth, Class of 1958

Graduation Hymn (the audience uniting) **Hemy-Walton**

FAITH OF OUR FATHERS

1

Faith of our fathers, living still
In spite of dungeon, fire and sword,
O how our hearts beat high with joy
Whene'er we hear that glorious word!

2

Faith of our fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God
Mankind shall then indeed be free.

3

Faith of our fathers, we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life.

Refrain

Faith of our fathers, holy faith
We will be true to thee till death.

Prayer

Reverend George W. Halstead

REPORT OF THE BOARD OF PUBLIC WORKS

To the Citizens of Stoneham:

As a result of a previous vote by the citizens of Stoneham authorizing a Board of Public Works, the following members were elected to office March 4, 1957: John E. Finnegan, 3 Year Term; Cornelius J. Sweeney, 2 Year Term; and Emmett G. Stewart, 1 Year Term.

The Board of Public Works held its first meeting March 11, 1957 and John E. Finnegan was elected Chairman of the Board. Miss Geraldine O'Grady was appointed Clerk to the Board, and Mr. Edwin D. Callahan was appointed Superintendent of Public Works.

It is with regret that we relate the death of Emmett G. Stewart on September 2, 1957. Mr. Stewart was a valued member of the Board and his death was felt strongly. At a joint meeting of the Board of Selectmen and the Board of Public Works, Mr. Royal Livingston was appointed to take Mr. Stewart's place until the election in March.

Immediately upon taking office, the Board of Public Works by law controlled what was previously the Tree, Park, Cemetery, and Public Works Departments. In the past these departments had functioned under various boards or individual heads completely independent of each other. The main problem facing your newly elected Board of Public Works was to blend these former departments into one concrete unit to be known as the Public Works Department. Once that was accomplished, maximum use of personnel and equipment would be obtained and one of the chief purposes of the Board of Public Works would be realized. We are very pleased to state that this was accomplished within a comparatively short time without any internal friction or any curtailing of previous services.

Our experience on the Board of Public Works has convinced us that the present operation is the most economical and efficient from the view point of the residents of Stoneham.

The Board of Public Works continued the sewer survey of the east side. At the present time all necessary engineering has been completed by the firm of Weston and Sampson, and once necessary easements can be obtained, it is our intent that construction will begin.

We have also compiled all necessary data for the piping off of Sweetwater Brook from Oak Street to William Street, and the Town Counsel is now in the process of obtaining the necessary easements. Once these easements are obtained, the Divi-

sion of Waterways of the State Department of Public Works has informed us they will put this work out to contract. On this particular project one-half the cost will be paid for by the State, which will represent a sizeable savings for the Town.

The Board of Public Works also appointed a Recreation Committee who would supervise and plan the recreational program of the Town. This committee consists of the following members: Howard W. Seabury, Chairman, Ralph A. Williams, Dyer E. Carroll, Stewart E. Blier, and Karl P. Elerin.

We feel the Recreation Committee has done an excellent job and respectfully direct your attention to their report. The Recreation Committee has also spent a good deal of time on a study of the available facilities at Recreation Park. Over a period of time it is our hope that these facilities can be improved, and thus provide better recreation for the Town.

For a more complete report of the functions of the divisions of the Public Works Department, we respectfully direct your attention to the report of the Superintendent of Public Works. We would also like to take this opportunity to thank the Superintendent of Public Works, Mr. Edwin D. Callahan, and the Clerk of the Board, Miss Geraldine O'Grady for their assistance and aide throughout the year. We would also like to express our appreciation for the fine cooperation we have received over the year from many Boards, and from the people of the Town of Stoneham.

Respectfully submitted,
JOHN E. FINNEGAN, Chairman
CORNELIUS J. SWEENEY
ROYAL E. LIVINGSTON
STONEHAM BOARD OF
PUBLIC WORKS

To the Board of Public Works

Gentlemen:

The report of the Superintendent of Public Works for the year 1957, is herewith submitted.

With the election of your Board to office March, 1957, what was formerly the Tree, Park and Cemetery Departments, merged with and became part of the Public Works Department. This merger has had the direct effect of making it possible to utilize the skills of all personnel and the equipment available towards the common purpose of getting the work done as efficiently and economically as possible. Due to the growth of the Town; some 138 new homes were added during the year 1957 based on records kept by the Town Engineer; the work load has in-

creased in many divisions of the Public Works Department. In particular this increase has been felt strongly in the amount of roads to be plowed, the rubbish to be collected and the utilities to be installed and maintained. Despite this increase, we have continued the policy established last year of performing more maintenance work in established sections of the Town, concentrating on streets and sidewalks and thus through proper maintenance protecting this investment. In order to give a clear picture of the responsibilities of the Public Works Department, there follows below a brief breakdown of the functions of the Department with the work accomplished in the year 1957.

Highways

Under the above division would come the maintenance of the Town's highway and drainage systems. During this year, we have armor coated 2.91 miles of roadway on twenty-one different streets throughout the Town.

The Department has also applied tar and sand to nine streets for a total length of 2.08 miles. The above maintenance work insures that the Town's roads are kept in good condition and thus removes the need for any costly reconstruction. The above work is done in accordance with the policy mentioned at the beginning of this report to concentrate on the established sections of the Town.

With respect to the Town's drainage system, a concentrated attempt is made to clean all basins and to keep the many drain lines servicing the Town functioning properly. The drain work done in the past three years has proved most effective in eliminating water conditions that in the past resulted in flooding. One of the major problems of the department now is to keep the brooks open during heavy storms. During non-working hours this is accomplished by two men that go out instantly during a heavy rain and concentrate on keeping the culverts open. The debris that is caught against the screens is removed and deposited on the nearby ground. The Cemetery Department, now a part of Public Works, comes along at a later date and trucks this debris away. This allows the two men responsible for keeping the culverts open to concentrate on that alone. This is one example of how the merger of all departments into Public Works had made a more efficient operation possible.

The following lists the amount of drain projects installed by the Department during 1957.

1. Arnold Rd. 122'-12" corr. iron—2 C. B.
2. Buttonwood Rd. 321'-12" conc. pipe—2 C. B.

Tar Sidewalks

In view of the considerable amount of old tar sidewalks in the Town, a special article has been inserted in the Warrant to raise the money to repair these walks. This year, we are very pleased to state that approximately two miles of these old walks have been resurfaced. This was made possible by the funds raised under this special article combined with funds from our normal sidewalk maintenance account. We feel it is essential that this work be continued in 1958, as there are still many of these old walks in poor condition.

Street Construction

At the 1957 Annual Town Meeting, a total of twelve roads were accepted by the Town, of which seven would be built under the Betterment Act. Of these seven roads the following five were built and completed by the Department this year.

1. Arnold Road—524 feet of roadway, plus drainage.
2. Elmhurst Road—739 feet of roadway, plus drainage
3. Greenview Road—645 feet of roadway
4. Marshall Road—465 feet of roadway, plus drainage
5. Oak Ridge Road—485 feet of roadway.

The two roads remaining to be built and their present status is as follows:

Kenneth Terrace—Drainage pipes and catch basins have been installed, the gravel base laid in place and approximately

1,100 feet of curbstone set in place. This road will be completed in 1958.

Bow Street Court—Before building this road it was necessary to relay the old 4" water main with new 8" cast iron pipe. This has now been done and it is our intent to build this road during 1958.

The remaining accepted roads are as follows: Standish Road, Kirmes Road, Edwards Road, Gracewood Road and Dianne Road. These roads were accepted without the assessment of betterments, as they had been previously built by the developer according to Planning Board specifications.

Properties

The buildings at the Public Works Yard are maintained by the Department. The garages are in good condition and no major repairs are anticipated. During the past year, a toilet was installed in the Storage Garage, complete with fixtures, lights, and radiators. The Department also maintains two pumping stations, a yard for the storage of pipe at Stevens Street, a building at Lindenwood Cemetery, and a gravel pit located off East Street.

Chapter 90 Maintenance

Money spent under this appropriation is spent under the direction of the Massachusetts Department of Public Works. The \$3000 available this year was spent on hot topping Central Street, from William Street to Common Street. Two thirds of the cost of work done under this appropriation is paid for by the State and County, the Town pays only one third.

Chapter 90 Reconstruction

The total amount of money available this year for the continued reconstruction of Franklin Street was \$30,000, an increase of \$6,000 over the previous year. Under this appropriation the Town pays only 25%, the remaining 75% being paid for by the State and County. In the past year Franklin Street was reconstructed from the Weiss Farm area to Stevens Street. This work was done under the supervision of the State Engineers, and the contract for this work awarded to Chesterbrook Construction Company.

Guard Rails and Barriers

It was necessary to erect several barriers this past season for the protection of the public. Painting of the guard rails and fences was carried on as usual wherever it was deemed necessary. Several fences were damaged by automobiles during the year and necessary repairs were made.

Water Services

The installation of water services for this year decreased by 21.5%, which is partially due to the present lull in building developments. The total of new services is 124 as compared to 158 for last year. It is interesting to note that the total for 1957 is 3.3% higher than the total for 1955. The total of relays is 70 which is one less than the previous year. We now have a total of 4,270 services in operation. The procedure of installing and relaying services has been economically carried out by the use of town equipment.

Sewer Services

The biggest housing developments built this year were situated so that no main sewers were available. This means that the sewer service potential has been effectively reduced as in previous years. There were 61 new services installed which is an increase of 5.2% over last year. The Town now has installed a total of 3040 sewer services which are maintained free of charge by the Department.

Rubbish Disposal

It is the duty of this Department to collect and dispose of refuse discarded by householders in the Town. The importance of this service can be felt by all residents of the community because it comes in direct contact with them. One of the two trucks called Loadpackers, which is employed in this operation is still working a four day week, but because of the added load due to new developments, it will be necessary to utilize the services of this truck for the full week. When holidays fall on regular week days, the Department uses an open truck to overcome the time lost and hasten the return to normal daily collection. The Town Dump, located on Spring Lane, is now open six days a week for the convenience of the people. The fire hazard at the Dump has been further minimized this year by the installation of a six inch water main and fire hydrant located in the center of the site.

We would like to thank Fire Chief Crosby, for his advice and aid in assisting us with the problems of this dump site.

Snow and Ice

Although we were fortunate in escaping the usual heavy storms, a total of 64 inches of snow was recorded during the winter season and it was necessary to call out the snow removal equipment on eleven different occasions. The majority of these storms were handled by Town equipment. Due to the many small snow and rain storms in which icy conditions resulted, long hours of sanding and salting were required to keep the roads in safe condition. Snow fences were erected during the

late fall and removed and stored in the spring. Our own welding shop kept the various snowplows and plowing equipment in good operating condition. Due to the increase in developments, additional sand boxes were placed in strategic locations.

Road Machinery Maintenance

With the merging of the Park, Tree and Cemetery Departments into Public Works, the facilities of our maintenance crew were called upon to take care of the additional equipment. In the case of trucks alone, this amounted to five additional vehicles. This maintenance crew is directly responsible for the upkeep of all vehicles and equipment which includes such units as a grader, bulldozer, mechanical shovel, road roller, snow loader, and trucks of varying size. The ability to do our own major repair work is strongly reflected in money saved and lack of time lost. Repair of equipment is continual and periodic greasing and oil changing is carried on through the year. With respect to the additional equipment gained due to this merger there appears to be no doubt that this work load can be absorbed more economically under the present status of the Board of Public Works.

Road Machinery

The Board of Public Works, authorized under the following articles of the 1957 Annual Town Meeting, selected the following equipment:

Article 52—Purchased a one-ton Ford chassis with a utility body for the Water Department

Article 53—Purchased a Mack Tractor Truck of 60,000 lbs. gross carrying capacity

Article 54—Purchased a Hardie-Aero-Mist Sprayer for the Tree Division of Public Works

Article 56—Purchased a one-ton Ford dump truck for the Tree Division of Public Works.

Sewer Construction of 1957

Sewer mains were constructed on 13 streets for a total of 3507 feet of main. The Town now has 33.83 miles of main in service. The sewer main construction for the year is as follows:

1. Bow Street at Spring Street — 114 feet of 8 inch V.C.
2. Butler Avenue—161 feet of 8 inch V.C.
3. Buttonwood Road—536 feet of 8 inch Transite
4. Franklin Street at Highland Ave.—30 feet of 8 inch V.C.
5. Garden Road—100 feet of 8 inch V.C.
6. Greenview Road—374 feet of 8 inch V.C. and 132 feet of 14 inch Transite.
7. Main Street at Gorham Avenue—52 feet of 8 inch Transite

8. Marshall Road — 510 feet of 14 inch Transite.
9. North Border Road—335 feet of 8 inch Transite
10. North Street—399 feet of 8 inch V.C.
11. Rafferty Road—59 feet of 6 inch V.C.
12. Sheffield Road—263 feet of 8 inch Transite
13. Windsor Road—442 feet of 8 inch Transite.

TOTAL

1237 feet of 8 inch V.C.

2270 feet of Transite

3507

Water Construction

We continued the work of strengthening our water system in the Northeasterly section of Town by laying a 12" main on MacArthur Road from Elm Street to Greenview Road, a distance of 2524 feet. Connecting mains were laid into Sheridan Road, Chase Road, and Stanton Road to eliminate existing dead ends. A sufficient number of gates were installed at all intersecting streets to provide cross feeds for the entire area. The list of water mains laid during the year, including the new developments is as follows:

1. Bow Street from Spring Street—113' of 6" C.I., 1-6" Gate
2. Bow Street Court—765' of 8" C.I., 1 Hydrant, 2-6" Gates, 1-8" Gate
3. Buttonwood Road—770' of 8" C.I., 2-8" Gates, 2-6" Gates, 1 Hydrant
4. Cardinal Road—380' of 8" C.I., 2-6" Gates, 1 Hydrant
5. Crosby Street (North Street to end of Lot 81) 439' of 12" C.I., 2-12" Gates
6. Elaine Road (Hanford Road to Lot 31) 257' of 8" C.I., 1-8" Gate
7. Fellsvievw Road (Butts) 80' of 6" C.I.
8. Fellsvievw Road (Walker Tonic) 139' of 6" C.I., 1-6" Gate
9. Franklin Street (Cross Connections) 74' of 2" C.I.
10. Fuller Street 363' of 8" C.I., 2-8" Gates, 1-6" Gate, Hydrant
11. Greenview Road — 116' of 8" C.I.
12. Hanford Road (North Street to Lot 18) 669' of 8" C.I. and 164' of 12" C.I., 1-12" Gate, 2-8" Gates, 1-6" Gate, 1 Hydrant
13. Janice Lane—449' of 12" C.I.
14. MacArthur Road (Sherman to Greenview) 1628'-5" of 12" C.I., 3-12" Gates (Elm St. dead end to Sherman Road 896' of 12" C.I., 2-8" Gates, 67' of 8" C.I., 7-6" Gates, 157' of 6" C.I. 3 Hydrants
15. Main Street at Gorham Avenue—36' of 8" C.I., 1-8" Gate

16. Margaret Road — (Rose Lane to end of Lot 64) 194' of 8" C.I., 1-8" Gate
17. North Street (Kirmes to Crosby) 204' of 8" C.I. and 153' of 12" C.I., 1 Hydrant, 1-6" Gate and 1-12" Gate
18. Rafferty Road — 59' of 6" C.I.
19. Richardson Road—76' of 6" C.I., 1-6" Gate, 1 Hydrant
20. Rockville Park—272, of 6" C.I., 2-6" Gates, 1 Hydrant
21. Rose Lane—736' of 8" C.I., 2-8" Gates
22. Sheffield Road—431' of 6" C.I., 2-6" Gates
23. Spring Lane (Dump)—228' of 6" C.I., 1-6" Gate, 1 Hydrant
24. Washington Avenue (Elderly People's)—25' of 6" C.I., 1-6" Gate, 1 Hydrant
25. Waterhouse Road—157' of 6" C.I., 1-8" Gate, 1-6" Gate, 1 Hydrant

 - 12"-3730 Feet equals 0.706 Miles

TOTAL

10,450 Feet equals 1.978 Miles

Sidewalk and Edgestone Construction

Granite curbstone, granolithic sidewalks and hot top sidewalks are constructed with the funds raised at Town Meeting for this appropriation. We had ten curbstone projects, during the year and installed 850 feet of curb. These were 16 granolithic sidewalk jobs totalling 1356 lineal feet. We also constructed 1082 feet of hot top sidewalk in 14 different locations. The abutters pay one-half the costs of these jobs and the town pays one-half. We have a back log of requests for this type of work for the coming season, approximately equal to the amount of work completed this year.

Water Maintenance

The functions of this Department are linked directly with water construction through community development. It has the duty and responsibility of maintaining the water distribution system which includes 4,270 individual water services. The necessity for good maintenance of the system can be clearly understood by everyone. The job of computing and then billing each individual service for the amount of water used is performed by our Billing Department. Water usage is measured by individual meters installed on all services.

Sewer Maintenance

There is approximately 34 miles of sewer main now in use which is maintained by this Department. The 3040 active sewer

services are also maintained under this appropriation. The majority of the mains are rodded and flushed annually to prevent blockage and insure maximum efficiency. The greatest problem encountered with services is that of roots growing from trees and shrubs, which work their way into the pipe. In such cases the use of a cutter is employed to eliminate the obstruction. The maintenance of our two pumping stations is executed by the Department.

Street Signs and Beacons

The installation of new street signs and repainting of old faded signs was carried on again this year. We do all of our own street sign work from the erection of poles to the lettering of the signs. Traffic lines on the roads, school children warnings, street crossing markings, "No Parking" zones, etc., are all done with money raised under this appropriation. During the year 1957 approximately 17,216 feet of white center lines were put on various roads throughout the Town. We feel this work is an excellent safety measure and it is our intent to continue to do as much as possible. This account also includes the maintenance of all the traffic lights and standards. About 96 traffic and street signs were installed and of this number, about 40 were new ones. All the signs at the Veteran's squares and memorials were repainted and relettered.

Engineering

Street plans of proposed developments were checked for the Planning Board and the amount of the bond to be filed by the developer to guarantee the construction of the roads was figured out. The engineers inspected the roads and drains while under construction by the developer. The engineers also made final inspections of these streets, when requested by the Planning Board, for the releasing of the developer's bond. Estimates were made for the Board of Public Works for streets, sidewalks, sewer, water and drain projects. An outline describing various other jobs performed by the Department is as follows:

1. Sewers and Drains
 - a. Preliminary survey and design
 - b. Drafting of plan and layout
 - c. Construction line and grade
 - d. Record survey and plan
 - e. Record of ties to all services
2. Highways
 - a. Preliminary survey and layout and assessment estimate
 - b. Design and drafting of plan

- c. Construction line and grade
- d. Computation of actual assessment cost
- 3. Water Distribution
 - a. Design and layout
 - b. Record dimensions to gates and tees
 - c. Record of ties to all services
- 4. Easement Surveys
 - a. Plan
 - b. Description
- 5. Miscellaneous
 - a. Establishment of street lines for various departments and individuals
 - b. Inspection of houses before blasting
 - c. Surveys for stop signs and accidents including the drafting of a plan
 - d. Checking of computations and costs

Administrative Staff

It is the main function of the office staff to route all business of the Public Works Department into the correct channels. The way this is done has a direct bearing on the overall efficiency of the Department. When it is considered that this business concerns the functions of the sewer, water, highway, park, tree and cemetery divisions in a Town of approximately 17,000 residents, some idea of this task is gained.

The above functions consist of the preparation of contracts, computing weekly payrolls, purchasing of necessary materials, computing and mailing of approximately 8200 water bills yearly, maintaining cost records pertaining to sewer and water services, and maintaining work and personnel records of Public Works divisions and personnel. Other functions are of a nature where they must be routed to the men responsible for the work; for example, requests to read meters, to shut off water, to relieve sewer plugs, requests for sanding, requests concerning tree problems, etc. To summarize the above, the administrative staff is the nerve center of the entire organization. In the recent merger of the Park, Tree, and Cemetery Divisions into Public Works, this staff played a key role and aided greatly in the ease with which this merger took place.

Cemetery Division

This division of the Public Works Department, is responsible for the maintenance of the Lindenwood Cemetery. The receipts for the year are as listed:

Perpetual Care of Lots and Graves	1755.00
Perpetual Care Flower Fund	300.00
Foundations and Repairs	499.75

Opening of Graves	2,175.00
Sale of Lots and Graves	1,285.00
Concrete Grave Liners	1,450.00
Use of Tent	10.00
Care of Soldiers' Lots	900.00
Annual Care of Lots	981.75
Total	\$9,356.50

There were 73 interments at Lindenwood during 1957.

As previously mentioned in this report, the equipment used by Cemetery personnel is now maintained by the Public Works, maintenance division. It has been found possible to install a sign shop in the Lindenwood Building and we are now in the process of repainting various street signs throughout the Town. This work is being done by personnel of the Cemetery Division and is being carried on during the winter months. In the event of snow storms it is possible to use the Cemetery Department's trucks and plow, if needed. This report had previously mentioned the aid the Cemetery Division has been in removing debris collected from the various culverts during extreme rains.

It is interesting to note that Lindenwood Cemetery consists of approximately 30 acres that must be kept constantly mowed and in good condition. During the past year machinery was sent to the cemetery and a section leveled off for future grave sites. In the foreseeable future it will be necessary to open up and develop the present land abutting the cemetery from the northerly boundary through to West Street. The value of the Town owned equipment when this is done will be obvious.

Park Division of Public Works

The chief function of the Park Department is the maintenance of the various fields throughout the Town that are used for recreation and athletic events. At the present time the Town has the following areas available for this purpose.

1. Recreation Park
2. Pomeworth Upper Field
3. Little League Park
4. Robin Hood Playground and Little League Field
5. Steele Playground
6. A. P. Rounds Playground
7. Colonial Park Playground
8. South School Playground
9. East School Playground

Supplementing the above functions, the Park Division of Public Works also maintained the following during the year 1957:

1. Planted flowers in and maintained twelve triangles throughout the Town
2. Maintained the Town Hall grounds, including installation of Christmas decorations
3. Planted flowers and maintained shrubbery at the Library
4. Maintained shrubbery and cut grass at certain locations for the Stoneham Schools.

During the course of the year, new roofs were provided for the Little League Park, fences throughout various locations were painted, the hot top base of the tennis court was repaired, a new fence was installed to the west of the childrens playground area at Pomeworth Street, the rink was repaired, a diamond was roughed out at the Colonial Park School for the use of small children, plus other activities throughout the Town. A chemical was used in the Little League and Recreation Park ballfields this year and was found quite effective in keeping the dust down. It is our intent to continue this during the coming year. The bleaches, when erected at Recreation Park, were found to be in excellent condition due to the previous efforts of the Park Commissioners. From time to time, it has been noticeable that the demands on the Park Division really necessitate the need for additional personnel and yet the need is not such as to merit full time employees.

Under the present status of the Department, allowing us to interchange personnel where needed, this demand can be satisfied at a minimum expense. The Park Division of Public Works has been used with their trucks and plow during storms and has also aided in other overall activities of the Department. Supplementing the above report, is the report from the Recreation Committee stating the various recreational and athletic activities that took place under their supervision.

Tree Division

During the year 1957, utility company tree crews under the supervision of the Tree Warden, cleared all service and transmission wires in the Town. The Tree Division also cleared limbs where necessary from interfering with the police and fire cable systems in the Town. Supplementing the above work a survey was made of the entire Town and wherever it was found tree branches obstructed the street lighting, the branches were removed. The Department's tree planting policy, established some years back, was maintained and trees from the Town's Nursery were planted on many locations throughout the Town. It is interesting to note that these trees generally speaking, are planted on private property, with the owner's

permission, roughly five feet back from the sidewalk. This serves two purposes, as the tree grows it will not heave the sidewalk or heave the gutter of the street, it also provides more room for the tree to breathe.

The main problem continues to be the Dutch Elm disease and accounts for approximately one half of the Department's time on sampling, spraying, and finally removal of the diseased elm. In this particular matter the mist sprayer obtained at the last Town Meeting will prove effective in starting a dormant spray program, which has proven to be the only hope of controlling, not defeating this infectious disease.

Over the course of the year the Tree Division has removed ninety-one trees this year, twelve of these were removed by contract, the remaining seventy-nine by personnel of the Tree Division. It is interesting to note that by way of comparison a total of one hundred and seventy-nine trees were planted this year. The following is a brief breakdown of the activities of the Tree Division by days.

Tree removal	89 days
Tree trimming	66½ days
Tree planting	29 days
Equipment maintenance and shop work	19 days
Snow removal	6 days
Watering trees (drought)	5½ days
Disposal work	5½ days
New tree maint. and Nursery maint.	7½ days
Dutch Elm survey	2 days
	252 days

The use of the crane truck, acquired originally for construction work, has proven useful to the Tree Division; a bulldozer is sent to the gravel pit when needed to pile up the brush for burning. The Tree and Moth Division has been called upon to aid in the plowing and sanding operations and their equipment is, of course, now maintained by Public Works.

It is with regret that we relate the death of William F. Merrill, on December 16, 1957, an employee of the Public Works Department for ten years.

The above concludes my report for the year 1957. I believe the merger of the Park, Tree, and Cemetery Departments into Public Works is now completed, and I feel that this merger to date has definitely served the best interests of the Town. From an administrative viewpoint four main factors have been instrumental in making this possible.

1. The ability to interchange personnel when demand or the need for specific skills so dictates.

2. The ability to use a division of Public Works for a project that was foreign to their department in the past. An example of this would be the sign shop presently located at Lindenwood Cemetery.
3. The utilization of material resources and equipment for the overall good of the entire Department. The facilities of the equipment repair shop at the Pine Street yard are now being used for the maintenance of all equipment; the equipment available is for the use of all divisions of Public Works when the need arises.
4. The centralization of all purchasing; an excellent example here would be that all gasoline used is now taken from the common pump at the Pine Street yard.

I would like to thank all of those who have aided in many ways throughout the past year. In particular, I would like to thank the newly created Board of Public Works, who upon taking office in March of 1957, automatically initiated the Public Works Department as it functions today. Their cooperation at all times has been excellent. I also extend my appreciation to the personnel of the Public Works Department for their full cooperation during this merger, to the respective foremen of what were formerly the Tree, Park and Cemetery Departments and their personnel.

It is impossible for me to name all the various boards and department heads that have aided me greatly over the year. I do want, however, to thank the Recreation Committee of Stoneham for their capable planning and supervision of the Town's recreational program.

Respectfully submitted,
EDWIN D. CALLAHAN
Superintendent of Public Works

REPORT OF THE RECREATION COMMITTEE

To The Board of Public Works:

Gentlemen:

The report of the Recreation Committee for the year 1957 is as follows:

During the summer school vacation period, the usual playground program was conducted under the supervision of Robert Millett and fourteen instructors. The program included tennis instruction, swimming instruction, softball league, outdoor basketball, volley ball, horseshoes, and arts and crafts. Tennis instruction was given three mornings a week with an enrollment of

eighty nine pupils. Swimming instructions were given at the M.D.C. Pool two mornings a week. Bus transportation was provided for the swimming classes and every day for general swimming.

Two playground instructors were in attendance at each of the following playgrounds, a man and a woman at each field from 8a.m. to 12 noon and from 1 p.m. to 5 p.m.: Pomeworth, A. P. Rounds, Robin Hood, Colonial Park, East School, South School, and Steele.

The softball tournament was won by Robin Hood Playground.

For the younger children, sandboxes, pails and shovels, coloring books and crayons, and games were furnished.

The season was closed with a field day at Pomeworth Playground with all playgrounds participating and refreshments served.

The baseball diamonds, both regular and Little League size, were in constant use from April through August with regularly scheduled games being conducted every evening of the week, plus many Saturdays and Sundays.

The following is a tabulation of the activities at the various recreation areas for the 1957 season:

Recreation Park Hockey Rink

Weekdays — School Hockey Teams	4:30 p.m. to 7:00 p.m.
General Skating	7:00 p.m. to 9:00 p.m.
Sat., Sun., & Hol. — Hockey	9:00 a.m. to 1:00 p.m.
General Skating	1:00 p.m. to 9:00 p.m.

Recreation Park

American Legion Jr. Baseball	32 games
S.H.S. Varsity Baseball	7 games
S.H.S. Freshman Baseball	5 games
Pony League Baseball	27 games
C.Y.O. Jr. Baseball	28 games
C.Y.O. Intermediate Baseball	2 games
Archdiocese Drill Team Exhibition	
S.H.S. Varsity Football	3 games
S.H.S. JV Football	3 games
S.H.S. Freshman Football	4 games

Pomeworth Upper Field

S.H.S. JV Baseball	8 games
Marconi Society Carnival	5 days
St. Patrick's Drill Team Practice	21 evenings
Stoneham Chapt. Demolay Baseball	12 games
C.Y.O. Intermediate Baseball	19 games
Elk's Baseball	1 game
Rotary Club Circus	

Little League Park

Regularly Scheduled Little League Games	4 evenings a week
Little League Fathers-Sons' Game	
Little League Mothers' Game	
St. Patrick's Girls Softball	26 games
Lions Club — Town Employees Softball Game	
30 Independent Softball Games	
East School Playground) Little League and
Robin Hood Playground) Little League Farm
Colonial Park School Playground)	System Games

Rounds Playground 2 Boy Scout Wiener Roasts

It became apparent to this Committee that the teen age group was not being reached by this summer program. It is hoped that this age level may be reached by the inclusion in the program of certain indoor school facilities which are not normally in use during the summer months.

Respectfully submitted,
Howard W. Seabury
Ralph A. Williams
Dyer E. Carroll
Stewart E. Blier
Karl P. Elerin

STONEHAM RECREATION COMMITTEE

REPORT OF THE SELECTMEN

To the Citizens of Stoneham:

The Board of Selectmen, Fred A. Schneider, Donald J. Morrison, William M. Mackay, Stanley D. Wood and Lawrence F. Hurley, was elected for a term of one year on March 4, 1957. On Tuesday, March 5, 1957, after being sworn by the Town Clerk, the Board met and organized as follows: Mr. Schneider, chairman; Mr. Hurley, secretary; Mr. Wood, disburser of veterans benefits.

Winthrop A. McCarthy was re-appointed clerk of the Board for a term of one year, and Audrey C. Rice was re-appointed secretary of the Board. Henry W. Bickum was re-appointed to the Board of Registrars of Voters for a term of three years.

Frederick H. Mahoney was appointed to the Board of Appeal for a term of three years, and William L. Curran and John E. Shaughnessy were named associate members for a term of one year each. Other appointments by the Selectmen for a term of one year each were as follows: Kenneth A. Currie, Esquire, Town Counsel; Garvis C. Young, animal inspector, field driver and dog officer; Norman A. LeBlanc, Town weigher; John C. Nelson, lock-up keeper; Wallace C. Dunbar, inspector of veterans graves; William L. Curran, director of veterans services, agent for the disburser of veterans benefits and burial agent; Bernard H. Corbett, building and wire inspector; Thomas M. Graham, measurer of leather; J. Algernon Forbes, sealer of weights and measures.

Your Board of Selectmen and Town Counsel, at various times during the past year, upon notification by the State Department of Public Utilities, attended several hearings at the State House on proposed rate increases by the public utility companies and on service curtailment by the transportation companies. After curtailment of bus service on week day nights and Sundays between Stoneham and Sullivan Square, Boston, in November 1957, your Selectmen, with Representative Theodore J. Vaitses, petitioned the Department of Public Utilities for a public hearing to show why there is need and necessity for additional bus service in the Town of Stoneham.

To provide bus service for citizens of the Town after the November curtailment, your Board conferred with officials of the Hudson Bus Lines, Inc., who cooperated generously by extending service from Stoneham to Sullivan Square from 7:35 P.M. to 11:35 P.M. on week day nights beginning December 9, 1957.

Two resolutions were adopted by the Selectmen during the

past year which are mentioned herewith. Opposition was registered in the Congress of the United States, through the office of Congressman Torbert H. Macdonald, against the so-called Harris Bill, which, if passed, would tend to increase natural gas prices by the lessening of control over the pricing of natural gas. The other resolution, forwarded to our State Senator and Representatives from the 22nd Middlesex District calling for the adoption of suitable legislation to retain so-called sex-offenders in institutions until cured.

The Board of Selectmen was represented at Newton in April and May of last year at conferences called by Mayor Howard Whitmore, Jr., to consider problems of the so-called Metropolitan Area. Problems of this large suburban area are many and varied and those which pertain to Stoneham are being explored.

The financial outlook for the Town of Stoneham for 1958 is not as bright as last year. Assessed valuation of the Town increased \$1,300,000 in 1957 as compared to the previous year. The tax rate decrease from \$64 to \$62 last year was due largely to this extraordinary jump in assessed valuation. Such an increase cannot be expected in 1958.

The report of the Town Accountant shows surplus funds of \$424,512.98 and a Stabilization Fund of \$135,479.70. The surplus funds include the Excess and Deficiency Account containing \$279,439.94 and the Water Surplus Account of \$144,834.54. The Excess and Deficiency Account recovered from last year's decline, due to transfers in 1956 and 1957 of more than a quarter of a million dollars, when approximately \$175,000 was credited to the account at the close of business on December 31, 1957. The Excess and Deficiency Account presently is nearly \$100,000 greater than it was a year ago. However, revenues from the Commonwealth in 1957 were \$23,000 greater than estimated at Town Meeting time last year. In 1958 the estimated revenue from the State is \$7,000 less than last year while the charges by the State, County and Metropolitan District Commission will be \$7,000 more than in 1957. This adds to a net loss to the Town of \$14,000. The Water Surplus Account is \$7,000 less than was contained in the account last year.

The debt statement of the Town shows slight improvement over last year. Outstanding debt as of January 1, 1958 totalled \$2,767,000 as compared to \$2,801,000 a year ago. The slight difference of \$34,000 is due to the fact that the Town paid off debt in the amount of \$245,000 last year as compared to new 1957 loans of only \$211,000. The total debt of \$2,767,000 reduced by ..629,000 due from the State for School Building

Assistance leaves a net debt of \$2,138,000. The per capita debt is \$133.62 which is approximately \$18.56 higher than the average of cities and towns in the 10,000-25,000 population class.

In conclusion the Selectmen take this opportunity to express thanks to all Town officers, boards and committees for their assistance and cooperation in the administration of town affairs during the past year.

Respectfully yours,
FRED A. SCHNEIDER
DONALD J. MORRISON
WILLIAM W. MACKAY
STANLEY D. WOOD
LAWRENCE F. HURLEY
Selectmen of Stoneham

REPORT OF THE PLANNING BOARD

To the Citizens of Stoneham:

The Planning Board organized for 1957 with Mr. Peter P. Savelo as Chairman, Wilbur Avery as Secretary, and Marcus V. Brewster, Louis P. Vacca, Millard D. Taylor as members. Mrs. Gertrude B. Mortensen earned the Board's gratitude for her efficient work throughout the year as office clerk.

The year continued to be a busy one from the standpoint of sub-division and development of land in several parts of Town, and applications for many "approval not required" signatures by the Board. During the year Marcus V. Brewster resigned and the vacancy on the Board was filled at a joint meeting of the Planning Board and the Board of Selectmen by the interim appointment of Mr. Thomas Leahy of Beacon Street.

Thirty-four meetings were held throughout the year for the many requests for meetings of miscellaneous nature. In addition to the 34 above meetings, five Public Hearings were held for the following sub-division developments:

D'Annolfo Bros., a development off Windsor Road and Sheffield Road.

Oak Ridge Realty, a development off Spring Street called Cardinal Road.

Stoneham Building Corp., a development off North Street called Phillip Park III.

C. Faraci, a development off Forest Street called Rhuland Road.

Peter Vacca, a development off MacArthur Road, called Peters Drive.

In addition to the above plans, 53 plans were submitted to the Board for signatures on "approval not required" basis. Eight others of this type that were submitted were rejected.

Public Hearings were also held on eight Zoning Articles appearing on the warrant for the Annual Town Meeting on March 11, 1957. A Public Hearing was also held on Article 95 which did not appear on Town Warrant. Of all the Zoning Articles, only two were accepted by the voters of the Town. They were articles No. 26 and No. 30.

The Board wishes to extend its appreciation to the various Town officials, the Board of Public Works, and the many segments of the public who appeared at its meetings, for the fine cooperation displayed by all.

Respectfully submitted
PETER P. SAVELO
LOUIS P. VACCA
MILLARD D. TAYLOR
THOMAS M. LEAHY
Stoneham Planning Board

REPORT OF BOARD OF RETIREMENT
(Contributory Retirement System)

To the Honorable Board of Selectmen:

REPORT OF TOWN ACCOUNTANT

February 20, 1958

Honorable Board of Selectmen
Stoneham, Massachusetts
Gentlemen:

Herewith is presented the Report of the Town Accountant for the calendar year 1957 as set forth in the following schedules.

Balance sheet showing the financial condition of the Town of Stoneham on December 31, 1957.

Receipts for the calendar year 1957.

Expenditures summarized for the calendar year 1957.

Schedule of appropriations, other credits, transfers, expenditures and unexpended balances.

Analysis of Water Surplus, Sale of Lots and Graves Fund, Sale of Real Estate Fund, Reserve Fund transfers, and Excess and Deficiency Account.

Schedule of Debt showing payments due each year, and including the borrowing capacity of the Town of Stoneham on January 1, 1958.

Balance Sheet of Deferred Revenue Accounts.

Analysis of Trust Fund Accounts, Stabilization Fund, and the Contributory Retirement System, including balance sheet as of December 31, 1957.

In conclusion may I take this opportunity to thank all department heads and officers for the assistance and cooperation rendered during the past year.

Respectfully submitted,
WINTHROP A. McCARTHY
Town Accountant

WARRANT FOR ANNUAL TOWN MEETING OF 1958

To either of the Constables of the Town of Stoneham in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

MONDAY, MARCH 3, 1958

at six o'clock in the forenoon to act on the following articles of this warrant:

ARTICLE 1. To choose the following officers:

One (1) Moderator for one (1) year

Five (5) Selectmen for one (1) year

One (1) Assessor for three (3) years

Two (2) School Committee members for three (3) years

One (1) Town Clerk for three (3) years

One (1) Board of Public Welfare member for (3) three years

Two (2) Library Trustees for three (3) years

One (1) Town Treasurer for three (3) years

One (1) Tax Collector for three (3) years

Two (2) Constables for three (3) years

One (1) Constable for one (1) year

One (1) Planning Board member for five (5) years

One (1) Planning Board member for two (2) years

One (1) Board of Public Works member for three (3) years

One (1) Stoneham Housing Authority for five (5) years

One (1) Board of Health member for three (3) years

All one one ballot.

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet at 7:30 o'clock in the evening of Monday, March 10, 1958 in accordance with provisions of Section 2, Article 1 of the By-laws of the Town of Stoneham.

ARTICLE 2. To choose all other necessary Town officers for the ensuing year in such manner as the Town shall determine.

ARTICLE 3. To hear reports of Town officers and committees, and to act thereon and to choose committees.

ARTICLE 4. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled

"Wage, Salary and Classification Plan," by striking out the classification "Slaughtering Inspector" from the Annual Rate Schedule.

Personnel Board

ARTICLE 5. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled, "Wage, Salary and Classification Plan," by striking out "1957 Salary Schedule" and inserting in place thereof new 1958 Salary Schedule as Follows:

Town Accountant

ARTICLE 8. To see if the Town will vote to authorize the appointment of five (5) permanent firefighters, raise and appropriate money therefor, or do anything in relation thereto.

Fire Chief

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray Town charges for the ensuing year.

Town Accountant

ARTICLE 10. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$50,000.00 for the reduction of the 1958 tax rate.

Board of Selectmen

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money, said sum to be placed in the Stabilization Fund created and authorized by the vote passed under Article 84 of the warrant for the Annual Town Meeting of 1953, in accordance with provisions of Section 5B, Chapter 40 of the General Laws, determine in what manner the said appropriation shall be raised from taxation or by transfer from available funds in the treasury, or do anything in relation thereto.

Town Accountant

ARTICLE 12. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1958 and to issue a note or notes therefor, payable within one year, and to renew

any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 13 To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum of money to pay the rent of quarters or lease quarters for use of Leon W. Warren Camp, United Spanish War Veterans; Stoneham Post 115, American Legion; Sgt. George J. Hall, Post 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American War Veterans; World War I Veterans of the United States, Barracks 395, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 15. To see if the Town will vote to authorize the Board of Health to make appointments from its own membership to the positions of Health Officer and Milk Inspector, and raise and appropriate money for salaries of said officers, or do anything in relation thereto.

Board of Health

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 17. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains or relaying sanitary sewer mains within the limits of the Town, determine in what manner the said

appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the stabilization fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 18. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage purposes within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 19. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, so as to include in the General Business District the following described area, to wit:

Beginning at a point at the southwesterly corner of the intersection of Main and North Streets, at land of John A. Lucci, thence the line runs southwesterly by the southerly boundary of North Street and along land of said John A. Lucci, 212.50 feet, more or less, to land now or formerly of Dominic A. Lucci; thence turning and running southerly by said land now or formerly of Dominic A. Lucci, 143.68 feet, more or less, to a point at land now or formerly of Raymond J. Murgia, et ux, and land now or formerly of Christina M. Ingraham; thence turning and running easterly by said land of Murgia and Ingraham, 96.00 feet, more or less, to the westerly boundary of Main Street; thence turning and running northerly by said westerly boundary of Main Street and by said land of Ingraham and by land of said John A. Lucci, 237.09 feet, more or less, to a point; thence turning and running, by a curved line, northeasterly, 51.79 feet, more or less, to the point of beginning.

Robert D. Callahan

ARTICLE 20. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area bounded as follows:

Northerly by land now or formerly of Walker, presently zoned for retail business, westerly by Lynn Fells Parkway, southerly by Wyoming Avenue and easterly by a private way known as Walker Road.

John N. Kelly

ARTICLE 21. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for the use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or otherwise, authorize the disposal of one (1) 1957 Ranchwagon now in service, or do anything in relation thereto.

Captain of Police

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for the use of the Police Department to replace one cruising automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or otherwise, authorize the disposal of one (1) 1956 Ranchwagon now in service, or do anything in relation thereto.

Captain of Police

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money to purchase uniforms for members of the Police Department or do anything in relation thereto.

Captain of Police

ARTICLE 24. To see if the Town will vote to construct an addition to the Robin Hood School consisting of ten classrooms with such other necessary facilities as may be required for school housing and educational needs, raise and appropriate a sum of money for the purpose of engaging an architect to prepare final architectural drawings, plans, specifications for obtaining fixed price bids for the construction of said addition to the Robin Hood School, determine in what manner the said appropriation shall be raised, by transfer from available funds, by taxation or by borrowing, by the sale of bonds, notes or otherwise, pass any vote or votes which the Town deems necessary for the purpose required in this article, authorize the Moderator to appoint a committee of five to be known as the Robin Hood School Building Addition Committee, said committee to be granted all the powers and duties necessary to carry out any and all votes passed under this article and to enter into all lawful contracts and agreements in behalf of the Town to accomplish said votes, or do anything in relation thereto.

School Survey Committee

ARTICLE 25. To see if the Town will vote to accept a sum of money from the Trustees of the Stoneham Home Front

Trust Fund, so-called, said sum to be appropriated and used together with such other funds as may become available by appropriation by the Town, for the purpose of erecting a Memorial Field House at Recreation Park, or any land adjoining said park which the Town may acquire or has acquired, or do anything in relation thereto.

The Stoneham Home Front Trustees

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money, said sum to be appropriated and used together with such other funds as may become available by gift from the Trustees of the Stoneham Home Front Fund, so-called, for the purpose of constructing and equipping a Memorial Field House, and other necessary expense incidental thereto, at Recreation Park, or any land adjoining said park which the Town may acquire or has acquired, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Recreation Commission

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money to prepare two basement rooms at the Junior High School for the conversion of the space for school use including a shop area, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

School Committee

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to purchase a truck for the use of the School Department, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

School Committee

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money to purchase dishwashing equipment for use in the Junior High School Cafeteria, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

School Committee

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money for the purpose of eliminating insects and other pests in the Town, determine in what man-

ner the said appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money for the purpose of Rat Control in the Town, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 32. To see if the Town will vote to raise and appropriate a sum of money for salary for a part-time dentist to assist in the Dental Program, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money for salary for a part-time clerk to assist the Board of Health Nurse, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation, or do anything in relation thereto.

Board of Health

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar sidewalks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with State and County Aid under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 36. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

Board of Public Works

ARTICLE 37. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for the permanent construction of certain streets within the limits of the town, or do anything in relation thereto.

Board of Public Works

ARTICLE 38. To see if the Town will vote to raise and appropriate a sum of money to make repairs and install complete in place at the intersection of Montvale, Cottage and Wright Streets, all new conduit and cable, plus new flashing mechanism to replace present over-age equipment, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department, two (2) crawler type sidewalk tractors, complete with snow plows, authorize the appointment of a committee to make said purchase, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) 1 to 1½ ton roller to authorize the disposal of one (1) 1920 Buffalo Springfield roller now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money for the purchase of two (2) 2½ to 3 ton dump trucks for use of the Public Works Department and to authorize the disposal of two (2) 1946 International dump trucks now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money for the purchase of one (1) sand spreader body for use of the Public Works Department and to authorize the disposal of the 1949 Baughman sand spreader body now in service and for the purchase of one (1) station wagon for use of the Public Works Department engineers, authorize appointment of a committee to make said purchases and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and other necessary expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Public Works

ARTICLE 44. To see if the Town will vote to raise and appropriate a sum of money to purchase shade trees, loam, materials and other necessary expense incidental to shade tree planting, determine in what manner the said appropriation shall be raised, by transfer from available funds or from taxation or do anything in relation thereto.

Board of Public Works

ARTICLE 45. To see if the Town will vote to accept as a public town way Erickson Street, so-called, from North St. northwesterly 1423 feet, more or less, as laid out by the Board of Survey.

Board of Public Works

ARTICLE 46. To see if the Town will vote to accept as a public town way a portion of Lawndale Road, so-called, northerly from Greenview Road to Marshall Road as laid out by the Board of Survey.

Board of Public Works

ARTICLE 47. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Lawndale Road from Greenview Road to Marshall Road, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Board of Public Works

ARTICLE 48. To see if the Town will vote to accept as a public town way a portion of Whipple Avenue, so-called, from the end of the existing public way northerly 393 feet, more or less, as laid out by the Board of Survey.

Board of Public Works

ARTICLE. 49. To see if the Town will vote to raise and appropriate a sum of money to pave a portion of Whipple Avenue from the end of the existing public way northerly 393 feet, more or less, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Board of Public Works

ARTICLE 50. To see if the Town will vote to accept as a public Town way Brookbridge Road, so-called, from Whipple Avenue westerly 752 feet, more or less, as laid out by the Board of Survey.

Board of Public Works

ARTICLE 51. To see if the Town will vote to raise and appropriate a sum of money to pave Brookbridge Road from Whipple Avenue westerly 752 feet, more or less, under the law relating to the assessment of betterments, and that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Board of Public Works

ARTICLE 52. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, or borrow, for the permanent construction of certain public ways accepted by vote or votes of the Town under foregoing articles of this warrant, or do anything in relation thereto.

Board of PublicWorks

ARTICLE 53. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, for sewer easement purposes, the following described parcel of land in Stoneham as appears on "Plan of Sewer Easement from No. 54 Main Street to High Street in Stoneham, Mass." dated December 14, 1956 by M. J. Markham, C. E.

"Beginning at a point on the Westerly sideline of High

Street, said point being 634.68 feet from a stone bound in the southerly sideline of Bear Hill Road, thence the line runs across land belonging to the Bear Hill Associates, Inc., N 50° - 56' - 50" W, 217.83 feet to a point; thence the line turns and runs N 70° - 47' - 50" W, 162.75 feet to a point; thence the line turns and runs S 80° - 12' - 10" W, 276.57 feet to a point; thence the line turns and runs S 82° - 55' - 40" W, 236.75 feet to a point; thence the line turns and runs S 87° - 08' - 40" W, 154.86 feet to a point; thence the line turns and runs N 62° - 32' - 20" W, 184.08 feet to a point; thence the line turns and runs, still on land belonging to the said Bear Hill Associates, Inc., N 77° - 08' - 20" W, 163.52 feet to a point in the easterly lot line of land belonging to, now or formerly, John and Alza F. Quimby; thence the line turns and runs N 17° - 56' - 50" W, 217.09 feet along the said Easterly lot line of land belonging to said Quimby. land belonging to, now or formerly, Lester C. and Camille Gaul, to a stake at the southeast lot corner of land belonging to, now or formerly, Francis M. and Lillian A. McGaffigan; thence the line continues running N 17° - 56' - 50" W, 16.40 feet along the easterly lot line of land belonging to said McGaffigan to a point; thence the line turns and runs S 84° - 07' - 38" E, 16.40 feet to a point in land belonging to said Bear Hill Associates, Inc., thence the line turns and runs South 17° - 56' - 50" E, 218.35 feet to a point; thence the line turns and runs S 77° - 08' - 20" E, 181.93 feet to a point; thence the line turns S 62° - 32' - 20" E, 181.93 feet to a point; thence the line turns and runs N 87° - 08' - 40" E, 150.25 feet to a point; thence the line turns and runs N 82° - 55' - 40" E, 235.84 feet to a point; thence the line turns and runs N 80° - 12' - 10" E, 280.10 feet to a point; thence the line turns and runs S 70° - 47' - 50" E, 169.25 feet to a point, thence the line turns and runs, still on land of said Bear Hill Associates, Inc., S 50° - 56' - 50" E, 211.24 feet to a point in the said westerly sideline of High Street; thence the line turns and runs S 7° - 28' - 25" W, 17.61 feet along the said westerly sideline of High Street to the point of beginning."

The above sewer easement is fifteen (15 ft.) feet wide. Area taken for sewer easement equals 24,253 square feet, more or less, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereof.

James A. O'Leary and 23 others

ARTICLE 54. 'To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws for sewer easement purposes, the

following described parcel of land in Stoneham as appears on "Plan of Sewer Easement, Town of Stoneham, Mass., Board of Public Works" dated September, 1957, by Weston & Sampson, Consulting Engineers, Boston, Mass. Beginning at a point in a stone wall at land of Herbert A. Willey, said point being also 210.0 feet due south from a drill hole in the junction of the walls at land of Harry C. and Jennie A. Olson. Thence running North $72^{\circ} - 30' - 20''$ East by land of the grantor 157.61 feet to a point; thence running still by land of the grantor North $45^{\circ} - 48' - 20''$ East 99.39 feet to a point in a stone wall at land of the said Olson; thence turning and running by said wall South $71^{\circ} - 39' - 40''$ East 22.54 feet to a point in the wall still at land of said Olson; thence turning and running by land of the grantor South $45^{\circ} - 48' - 20''$ West 114.62 feet to a point; thence again running by land of the grantor South $72^{\circ} - 30' - 20''$ West 167.71 feet to the wall first mentioned at land of said Willey; thence turning and running northerly by said wall 20.7 feet to the point of beginning. The area taken equals 5,392 square feet, more or less, belonging to n. or f. Anthony J. Evangelista, Tr., determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereof.

Board of Selectmen

ARTICLE 55. To see if the Town will vote to accept the gift of C. Harry Olson and Jennie A. Olson of a parcel of land situated in the Town of Stoneham, Middlesex County, Massachusetts, bounded and described as follows:

Beginning at a point located 1008.1 feet, more or less, from the easterly side of Green Street, said point located on land belonging to, now or formerly, C. Harry Olson and Jennie A. Olson; thence the line turns and runs in a Northeasterly direction a distance of 112,000 feet, more or less, to a point; thence the line turns and runs in a Southeasterly direction a distance of 90.00 feet, more or less, to a point; thence the line turns and runs in a Southwesterly direction a distance of 112 feet, more or less, to a point, said point being a drill hole located in a stone wall; thence the line turns and runs 90 feet, more or less, in a Northwesterly direction along a stone wall to the point of beginning. Containing 10,080 square feet of land, more or less.

Said land is shown on a plan entitled "Plan Showing Proposed Pumping Station Lot off Green Street", dated July 8, 1957, Weston & Sampson. Consulting Engineers, Boston, Mass. or do anything in relation thereto.

Board of Public Works

ARTICLE 56. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, for sewer easement purposes, the following described parcel of land in Stoneham as appears on "Plan For Sewer Easement between Greenview Road and Marshall Road", dated August 8, 1957 by M. J. Markham, C. E.; Beginning at a point on the easterly end of Marshall Road said point being 34.09 feet from a stone bound, thence the line runs due East, 17.89 feet to a point; thence the line turns and runs South $12^{\circ}-00'$ East 149.3 feet, more or less, to a point on the northerly sideline of Greenview Road; thence the line turns and runs in an easterly direction 10.5 feet, more or less, to a point; thence the line turns and runs North $12^{\circ}-00'$ West, 154.3 feet, more or less, to a point; thence the line turns and runs due West, 28.11 feet to a point in the said easterly end of Marshall Road; thence the line turns and runs South $12^{\circ}-00'$ East 10.22 feet to the point of beginning. All of the above easement on land belonging to Guy M. Greene. The area taken equals 1750 square feet, more or less, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Selectmen

ARTICLE 57 To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase or by taking by right of eminent domain under Chapter 79 of the General Laws, for sewer easement purposes, the following described parcel of land in Stoneham as appears on "Plan of Sewer Easement, Town of Stoneham, Mass., Board of Public Works" dated August 1957, by Weston & Sampson, Consulting Engineers, Boston, Mass. Beginning at a point on the northerly side line of Spring Street, said point located 127.88 feet from a stone bound on said northerly side line of Spring Street, thence the line turns and runs on a bearing of North $13^{\circ}-26'-03''$ East, a distance of 159.50 feet to a point, the line turns and runs on a bearing of North $28^{\circ}-27'-31''$ West a distance of 50.47 feet to a point, thence the line turns and runs on a bearing of North $16^{\circ}-32'-29''$ East a distance of 433.04 feet to a point, thence the line turns and runs on a bearing of South $28^{\circ}-27'-31''$ East a distance of 50 feet to a point, thence the line turns and runs on a bearing of South $13^{\circ}-26'-03''$ West a distance of 162.74 feet to a point on the northerly sideline of Spring Street, thence the line turns and runs along the northerly sideline of Spring Street on a bearing of North $86^{\circ}-01'-10''$ West a distance of 15.21 feet to the point of beginning. The area taken equals 9,630 square feet.

more or less, belonging to n. or f. Wilbur W. Chapman determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 58. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, for drainage purposes, an easement in the following described parcel of land:

Beginning at a point located on the southerly lot line of land owned, now or formerly, by Harold B. Hayward; thence the line turns and runs on a bearing of S 00° - 43' - 40" W a distance of 19.78 feet to a point; thence the line turns and runs in a northeasterly direction a distance of 12.45 feet to a point; thence the line turns and runs on a bearing of N 00° - 43' - 40" E a distance of 16.63 feet to a point; thence the line turns and runs in a westerly direction a distance of 16.65 feet to the point of beginning. Containing 197 square feet, more or less, and being shown as parcel E-6 on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. and William St. showing Drainage Easement for Sweetwater brook to be taken by the Town of Stoneham," dated May, 1957, or do anything in relation thereto.

Board of Public Works

ARTICLE 59. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by taking by right of eminent domain under Chapter 79 of the General Laws, for drainage and sewer purposes, an easement in the following described parcel of land:

Beginning at a point located on the westerly sideline of Oak Street, said point located 71.00 feet from the southerly sideline of Royal Street; thence the line turns and runs on a bearing of S 69° - 39' - 40" W a distance of 44.21 feet to a point; thence the line turns and runs on a bearing of N 0° - 43' - 40" E a distance of 52.72 feet to a point; thence the line turns and runs on a curved line of radius 131.50 a distance of 22.61 feet to a point, said point being on the southerly sideline of Royal Street; thence the line turns and runs along the southerly sideline of Royal Street on a bearing of S 64° - 06' - 00" W a distance of 17.00 feet more or less to a point; thence the line turns and runs on a curved line with a radius of 147.50 a distance of 14.00 feet to a point; thence the line turns and runs on a bearing of S 00° - 43' - 40" W a distance of 92.66 feet to a point; thence the line turns and runs in a northeasterly direction a distance of 16.65 feet to a point; thence

the line turns and runs on a bearing of N 00° - 43' - 40" E a distance of 21.48 feet to a point; thence the line turns and runs in a northeasterly direction a distance of 48.84 feet to a point on the westerly sideline of Oak Street; thence the line turns and runs on a bearing of N 20° - 20' - 20" W along the westerly siding of Oak Street a distance of 12.00 feet to the point of beginning. Containing 2297 square feet of land more or less, and being shown as parcels E-4 and E-5 on a plan entitled "Plan of Land in Stoneham, Vicinity of Oak St. and William St. showing Drainage Easement for Sweetwater Brook to be taken by the Town of Stoneham", dated May, 1957, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Public Works

ARTICLE 60. To see if the Town will vote to raise and appropriate a sum of money to defray the expense of converting the present coal-burning heating unit in the Public Library Building to an oil-burning heating unit, together with other necessary expense incidental thereto, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds or otherwise, or do anything in relation thereto.

Trustees of Public Library

ARTICLE 61. To see if the Town will sell to the Stoneham Jewish Community Center Inc. and Temple for use as a cemetery, for its membership and their immediate families a parcel of vacant land owned by the Town of Stoneham and heretofore used as pasture land in connection with the Town Infirmary and located on Broadway and bounded as follows:

Beginning at the Northwesterly corner at land of St. Patrick's Cemetery and running southerly by land of St. Patrick's Cemetery one hundred and sixty (160) feet to land of the Town of Stoneham, thence running easterly by land of the Town of Stoneham three hundred and seven and twenty-four hundredths (307.24) feet to land of forty-five foot right of way, thence running northerly by right of way one hundred and sixty feet (160) to Broadway, thence running westerly along Broadway three hundred seven and forty-four hundredths (307.44) feet to point of beginning, containing 49,180 square feet, more or less, as shown on a plan by Warren M. Mirick dated February 12, 1958; to determine the Sale Price of said land, and authorize the Board of Selectmen to convey title of said land, pass any vote or votes, or do anything in relation thereto.

Stoneham Jewish Community Center

ARTICLE 62. To see if the Town will vote to authorize the appointment of a Town Committee to prepare a workable urban rehabilitation and/or redevelopment plan for the Town of Stoneham, said committee to be authorized to enter into an agreement with the Federal Government under provisions of the Urban Renewal program in the Housing Act of 1949 and amendments through 1956, and that money be raised and appropriated therefor from taxation or by transfer from available funds, and to carry out any votes passed under this article.

Citizens Advisory Committee

ARTICLE 63. To see if the Town will vote to raise and appropriate a sum of money from the revenue of the current year to reimburse Laura M. Sheppard for water and sewer charge to connect property at 558 Main Street in excess of reasonable amount due to indirect manner of construction.

John N. Kelly

ARTICLE 64. To see if the Town will vote to accept a bequest from the estate of the late Ora Hill Bingham to establish a permanent fund for the following purpose as set forth in the will of the late Ora Hill Bingham. "To the Town of Stoneham, Massachusetts, the sum of \$3,000.00, to be known as the "Sidney A. Hill Fund", the income from this fund to be used at the discretion of the Stoneham Board of Public Welfare, for the care of eyes and for teeth of elderly citizens of the Town.

Town Clerk

ARTICLE 65. To see if the Town will vote to accept provisions of Chapter 223, Acts of 1957, an act authorizing cities and towns to establish conservation commissions to promote the development of natural resources and to raise and appropriate money therefor.

Board of Selectmen

ARTICLE 66. To see if the Town will vote to accept Chapter 427, Acts of 1957, an act increasing the amount of pension of certain retired police officers and firefighters.

Board of Selectmen

ARTICLE 67. To see if the Town will vote to raise and appropriate a sum of money to acquire by purchase, or by right of eminent domain, a parcel of land now or formerly of the Boston and Maine Railroad, situated on the northwesterly side of Gerrv Court, adjacent to Recreation Park, said appropriation to be used in conjunction with an appropriation voted under Article 58 of the warrant for the annual Town Meeting of 1951, determine in

what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything, in relation thereto.

Board of Public Works

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this eighteenth day of February in the year one thousand nine hundred and fifty-eight, A.D.

FRED A. SCHNEIDER
DONALD J. MORRISON
WILLIAM W. MACKAY
STANLEY D. WOOD
LAWRENCE F. HURLEY
Selectmen of Stoneham

A true copy, attest,

UGO M.ROLLI
Constable of Stoneham
